PRESENTED BY THE SENIORS

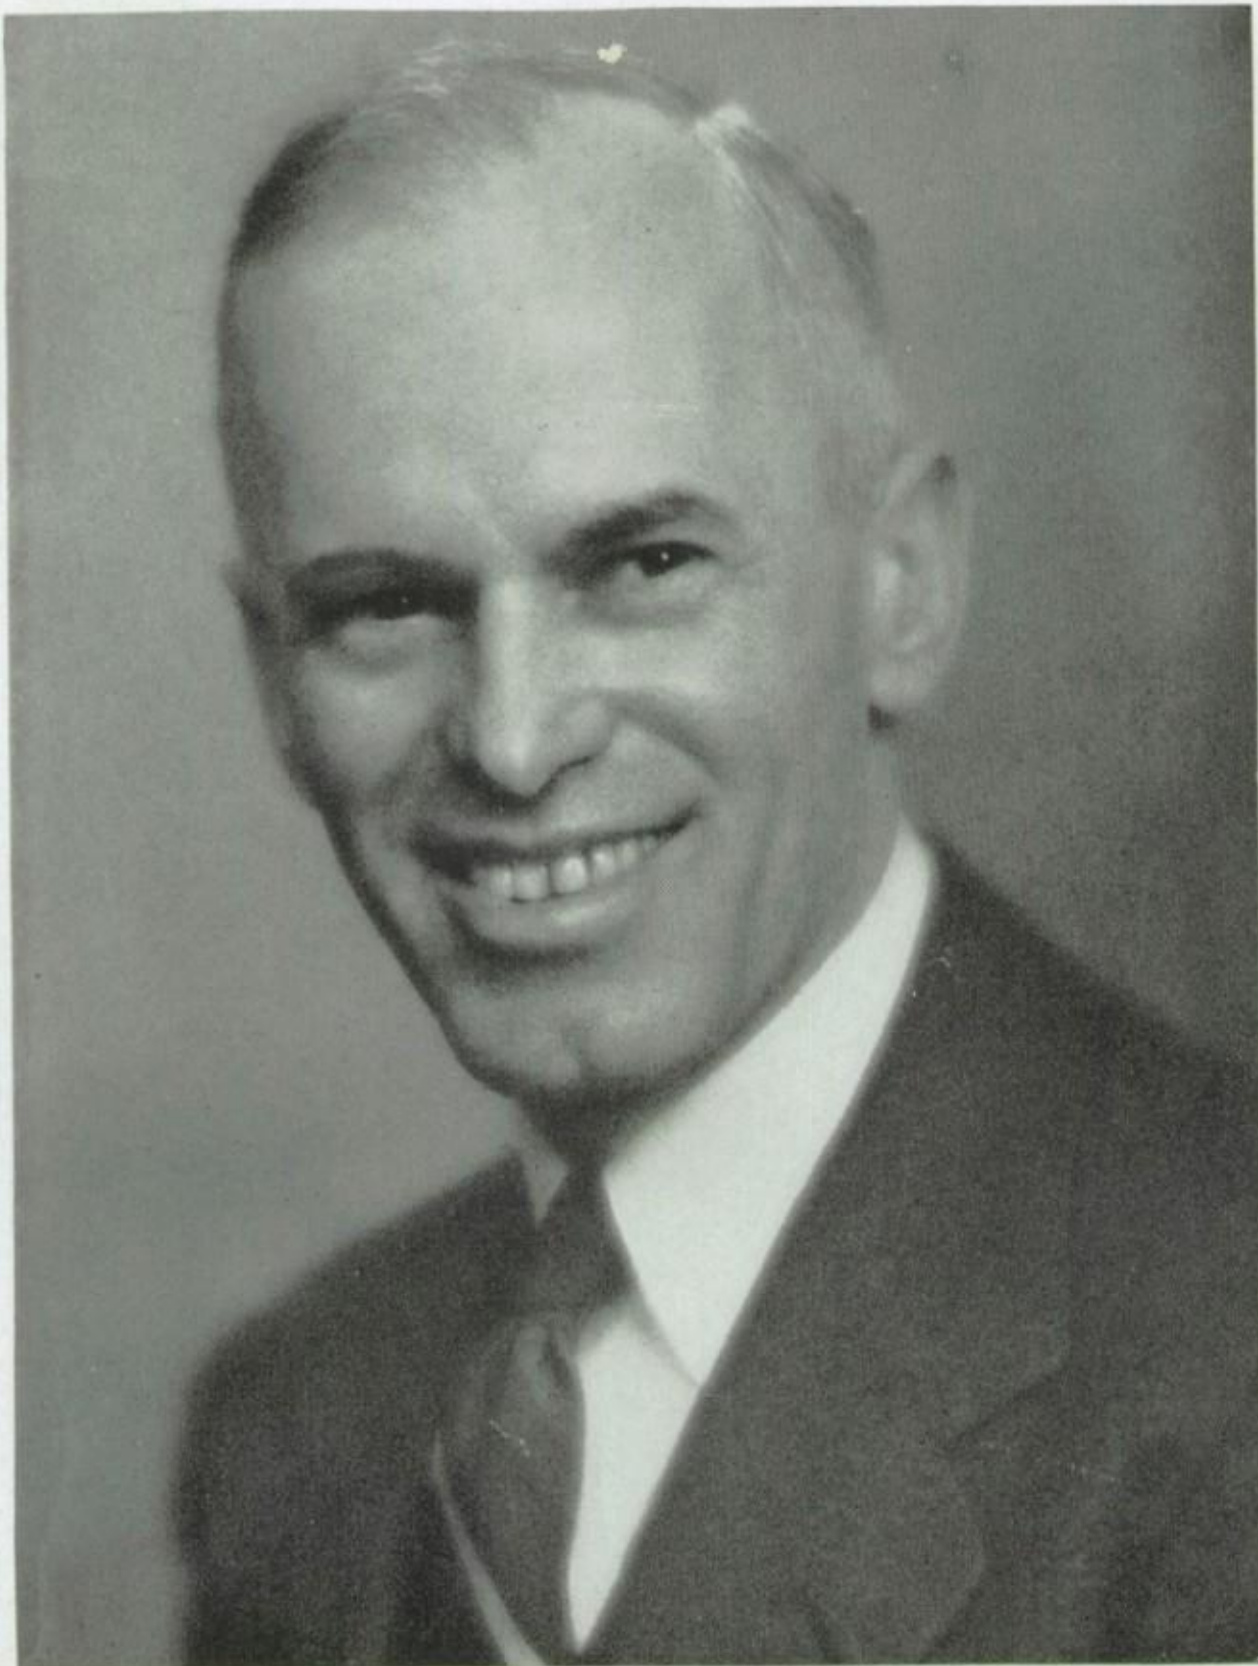

OF THE MORGAN PARK HIGH SCHOOL • CHICAGO, ILLINOIS

CAPTAIN G. G. LORENTZ

*Cap! to a friend, counselor, and a regular*

## WE HONOR

*Captain Lorentz! we're all for him*

"EVERYONE'S best friend" is a fitting title for our dynamic assistant principal, Captain G. G. Lorentz. Disciplinary matters require an astounding degree of tact to carry the recalcitrant and mentor through the crisis with a friendly relationship. It may be Cap's snappy brown eyes, his winning smile, or most likely, his uncanny ability to take in a situation at a glance and discern the best course of action to follow, which gives him our sincere admiration.

Many times the question has arisen as to why our assistant principal is called "Cap". He was a lieutenant in the air corps during the world war and was, thereafter, presented a Captain's commission in the reserve army.

Morgan Park is extremely proud to claim Cap as her own since 1919. He acted as R. O. T. C. and physical education instructor until he fulfilled the position he is now holding.

His love and trust in the younger generation, and conviction that there is hope and salvation for every misdemeanant, has been demonstrated in his work at Camp Roosevelt and as director at Camp Eagle Crest.

For the thousand and one ways in which Cap has helped each one of us through our four years of high school, we gladly offer him our tribute.

*fellow we dedicate this book*

## A WORD . . .

### *Before we begin*

**P**LUGGING through high school is a generally accepted procedure for modern youth. It may be well to stop and reflect. At intervals ask yourself, "What am I gaining through my four years' career?" That is, benefits besides the general curriculum. Spending less time on school work is not being advocated, but only devoting more hours to extra activities.

This entire business of life is the same during your teens as in your sixties. You take out as much as you put in. By the same token, put forward additional effort to better your school. It will go towards improving yourself.

This extra work and effort goes under the well known head of "school spirit." Without this all important element no school can forge ahead.

# LITTLE SIR EMPE PRESENTS

## *The Personalities*

After all is said and done, it is the personnel which makes or breaks any school. With this in mind, we believe Morgan Park has a decided advantage. It possesses a combination of fine teachers and alert students.

## *The Athletics*

"He's a true athlete and scholar"—a standard phrase, but how true of numberless Empehites! Football season sped by piling up brilliant triumphs. Our pride in the boys in (basketball, all sports, swimming, and baseball) could not have been greater.

## *The Activities*

Few schools afford as fine opportunity for extra-curricular participation in clubs as does Morgan Park. Any day the social room can be found packed with club enthusiasts. It is around these individuals that school spirit is formed.

# The PERSONALITIES

ANOTHER year has become history. None will forget our brilliant football season. History was made of the fall semester amateur hour. Such talent we possess! Attendance at the Christmas assembly was a rare treat. February and the Military Ball go hand in hand. This was another gala occasion. The spring semester literally flew by to the date of graduation.

*from playboy to bookworm, with flat*

*feet and hookworm — they're Empehites*

## DR. ESTON V. TUBBS

A WARM place is reserved in the hearts of Empehites for Dr. Tubbs. He has been principal of this school for five years. His sincere devotion for democracy has far reaching influence upon Morgan Park students. We are proud to say that Dr. Tubbs has been our friend.

# A MESSAGE

## *To the Class of 1941*

ONE OF the most commendable traits in the ideal Empehi student everyone recognizes is loyalty. This is one of the greatest words in the English language. Strong loyalties cement the bonds which hold families, social groups, and nations together. This is also true of schools. When we are united in our purposes and in our loyalties, we shall be "tops in everything we undertake."

It is easy enough to be enthusiastic in supporting winning teams and other successful school enterprises, but the acid test of student loyalty lies in the continuing support which we give to our fellow students when the going is tough. These are the circumstances which tell the story of real worth and expose what is counterfeit.

In these days of proving and testing, may none of us be found wanting in our loyalties to our family, our school, and our country. Let us be just as intense in our devotion to our country as were the youth of '76 or of any other period in our national history. Let us not be unmindful of all the benefits which we enjoy as citizens of this great land of ours.

Two lines of our school creed read as follows:

*May we be worthy of our school  
By giving the best that is in us.*

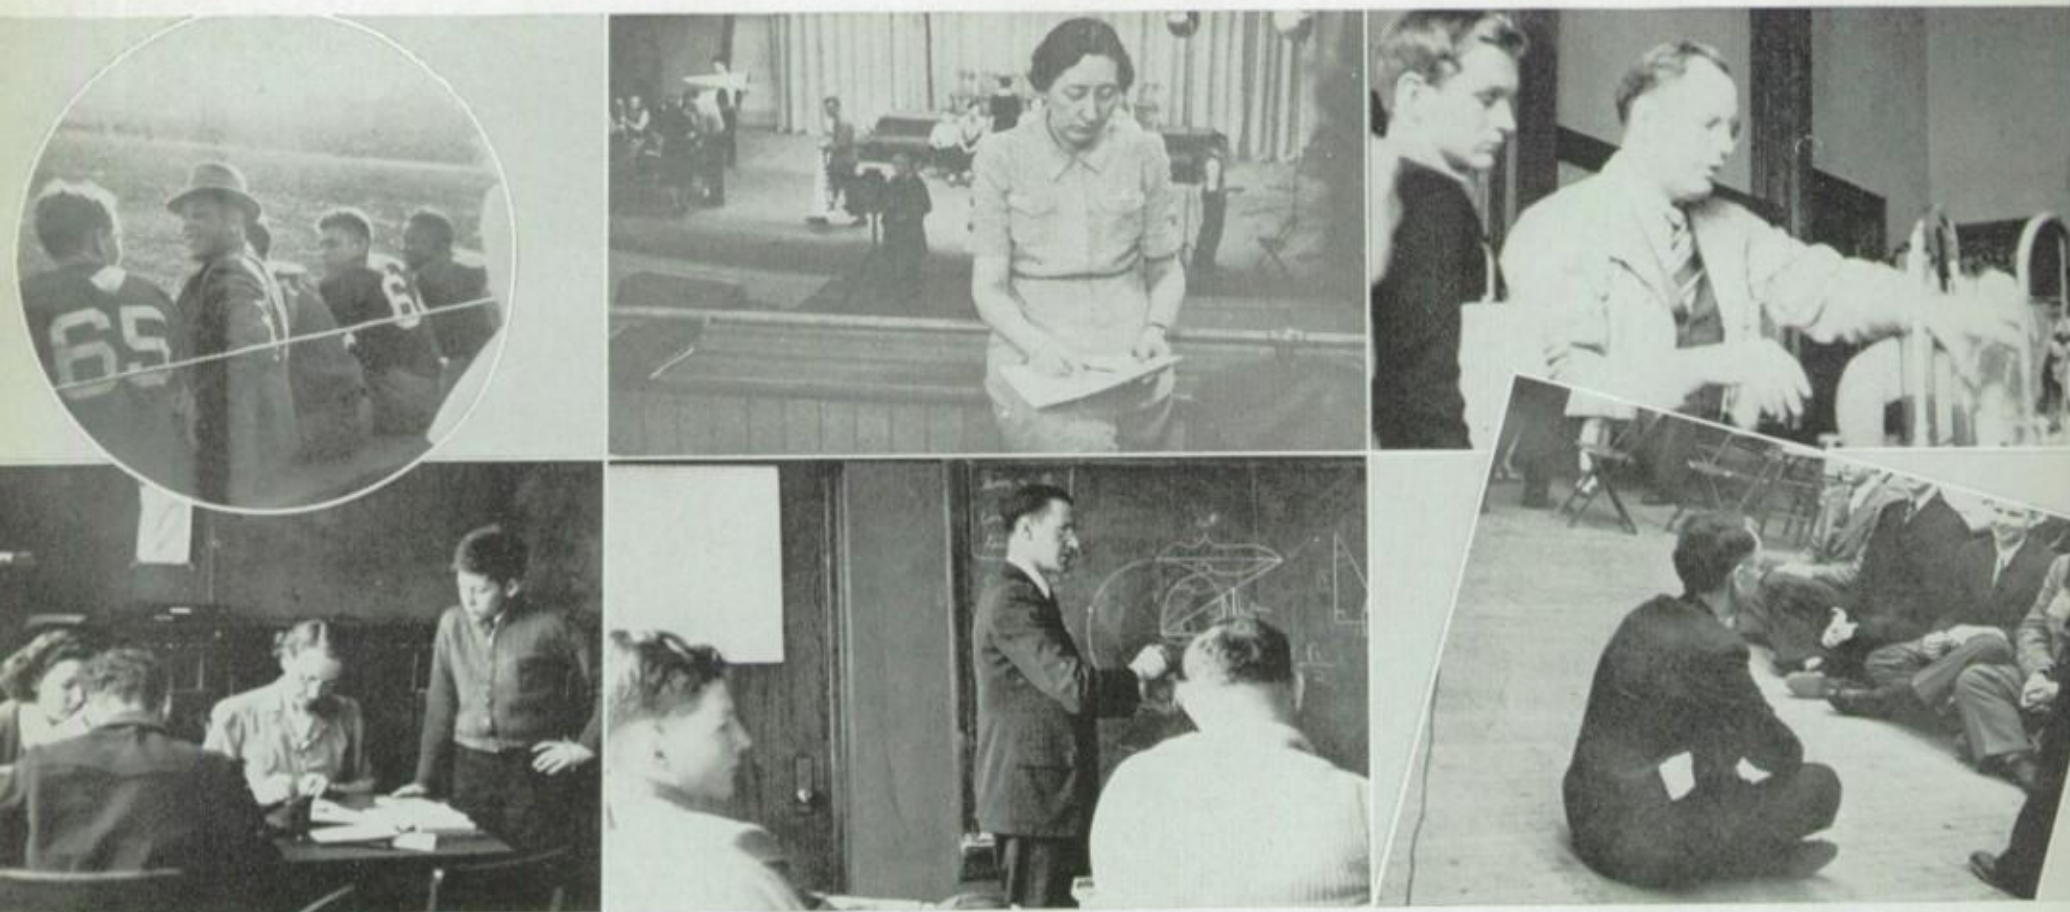

This sentiment might well be extended to apply to our country. Our democracy may not be perfect, but it is the best form of government the ingenuity of finite minds has been able to contrive. As we stand in the shadow of portentous world events, let us be loyal and unwavering in our devotion to high ideals realizing that

*We stand at Armageddon and we  
battle for the Lord.*

Whatever the future may have in store for us, let us not fail properly to evaluate those qualities which all men in past history have regarded as the very essence of nobility and heroism. So long as we hold fast to the ideals which were so thoroughly cherished by our illustrious forebears, the United States will continue to fulfill its great mission, and endure forever.

ESTON V. TUBBS

## FACULTY

*They made us what we are today*

ONE OF the principal theories of modern education is that members of a faculty should be friends and counselors of the students. In the light of this Morgan Park is by no means behind the times, for not only do Empehi's teachers excel in teaching, but they are also genuine friends of all students they have in class.

It is because of a relationship such as this, where Empehites know they can call upon their faculty friends at any time to help in giving a dance or promoting a club, that enables Morgan Park to have the largest extra-curricular program of any school its size.

Besides working with the students,

the faculty lends a helping hand to those in trouble or those who need aid. For this purpose the new Placement Council which helps students and graduates to find jobs, was established. The Adjustment Department, which seeks to smooth over difficulties and help the student in his school work, was enlarged. A vocational guidance service for juniors and seniors; a branch of the N. Y. A., which finds jobs for needy students; and the P. T. A., which promotes cooperation between home and school are all a part of the program.

With faculty-student relationships such as these it is no wonder that Morgan Park is stepping ahead.

## THE FEBRUARY CLASS OF 1941

### *The bosses! a herd of work hosses*

CLASS OF February 1941, you will not be forgotten. You have installed in our school a spirit of true democracy. From your midsts have been chosen four leaders. President, Warren Yaap; vice-president, Betty Berthold; secretary, Isabelle Cook; and treasurer, Nat Waxstein have had the heavy responsibility of heading senior activities.

Dot Allison planned the prom given in the Grand Ballroom of the Knickerbocker hotel. Your officers led the grand march to the strains of the Colonial Club orchestra.

Your social committee, presided over by Betty Berthold, chose Mickleberry's for the banquet. Roger Kuhns acted as master of ceremonies. Paul Larson and

Bill Treptow provided entertainment. Here, you spent the last gay hours of your school life with your classmates.

Your ring committee was under the chairmanship of Hazel Eadon. Nat Waxstein headed the budget committee. Judy Davis decided upon new social room curtains as a beneficial gift. Disposal of 400 announcements was Tom Maver's task.

As each of you stepped forward to receive your diploma, varied emotions were in your hearts at the thought of leaving Morgan Park. Foremost was that of regret mingled with the desire to step forward and attain one more rung in your ladder to ultimate success.

## PERSONALITIES OF FEBRUARY, 1941

WARREN YAAP  
BARB WHITE

BETTY BERTHOLD  
BUD BUCKLEY

### *The top! they lead the crop*

CHARMING Betty Berthold was most active at Morgan Park. As chief justice of the Student Court she received the loyalty and support of all. She was vice-president of the Senior class, chairman of the Social committee, and Bookkeeper of the Business staff. Betty, with all her excellent qualities, is sure to go far.

Bud Buckley possesses an unusually likeable personality and made a capable Sports Commissioner. All school games and matches were loyally backed and publicized by Bud. He has shown the sort of spirit we admire in his years at Empehi. Someday in the not too distant future we'll be proud to say, "I knew him when—"

Barbara White has combined scholarship and leadership into an unbeatable combination. She graduated second in her class and led the school as S. A. president. Chosen by her class as the most popular girl, her list of activities is long and varied. It is our hope that Barb's goal of becoming president of the United States may someday be reached.

A busy young man in all fields is Warren Yaap, the senior class president. As the outstanding player of our illustrious football team he gained city-wide fame and was known to Morgan Park as a scholar and all around grand guy. He was voted most popular boy in his class. All signs point to a rosy future for this lad.

RAWLEY HANDBURY    NANCY SWEARINGEN  
DOROTHY JONES      BOB MATTHIAS

## THE JUNE CLASS OF 1941

### *The elite! aren't they neat*

MEMBERS of the June '41 class, you inaugurated into Morgan Park new ideas and splendid methods to meet the changing needs of modern times.

Your four competent officers: Rawley Handbury, president; Nancy Swearingen, vice-president; Bob Matthias, treasurer; and Dorothy Jones, secretary, well warranted the positions to which you elected them.

Cooperating with your officers was George Schrock, in charge of commencement arrangements. Senior banquet arrangements were made by Nancy Swearingen. Your gift, ring, and announce-

ment committees proved to be a source of work for Helen Hawk, Bill Dingle, and Dorothy Deufel, respectively. Bud Olsen busied himself with supervising cap and gown measurements, while the all important task of balancing the budget was supervised by Bob Mathias. Bill McCumber is to be commended for his excellent work upon the assembly committee.

Class of '41, you showed that you are ready for the outside world. Nevertheless, as you continue to other walks of life, you will retain a memory of Morgan Park which will not dim with the passing of time.

## PERSONALITIES OF JUNE, 1941

RAWLEY HANDBURY  
NANCY SWEARINGEN

SUE SCHENK  
JIM ODELL

### *The big shots! they led us not-so-hots*

A REAL athlete is Rawley Handbury, the senior class president. Teams which claimed his membership are football, basketball, swimming and bowling. Chairmanship of the Student Court occupied a good part of his time. Rawley ably presided over the Senior Council and appointed efficient chairmen to the various committees. This lad's future success seems inevitable.

Nancy Swearingen combines charm with fine executive ability. Her latest office is vice-president of the 4A class, but she has also been president of the French club, vice-president of the A. Y. L., second page editor of the Empehi News, and secretary of Tau Epsilon. She boasts membership in an almost endless number of clubs. Empehi is proud of girls such as Nancy.

Personality such as Sue Schenk's is found once in a blue moon. Her four years at Empehi have been jammed with activity of all sorts. Secretary-treasurer of the S. A., most popular girl in her class and an enormous list of clubs go together to make her a most outstanding girl. Whenever there is work to be done, Sue is always on hand doing her part.

"Genial" Jim Odell has a gift for words which makes him a joy to hear. Leadership, scholarship and athletic ability go to make him one of the best. He ably handled the duties of S. A. vice-president. The wresting and football teams merited some of his time, for he possesses brawn as well as brains. Jim will be missed, but it won't be long before we hear of his oratorical fame.

# ATHLETICS

EMPEHI is very proud of the fine Sportsmanship displayed by her athletes this year. They greatly appreciate the fine support shown them by the student body. With your help they fought hard to defeat their opponents, succeeding in most instances.

## ATHLETIC ADMINISTRATION

Under the leadership of Coaches Antonides, McGregor, Taylor, Melnick and Schutzberger, our athletic teams have made a fine record throughout the past year. Robert Antonides coached football and wrestling, Duncan McGregor supervised baseball and basketball, while Tom Taylor took over the lightweight basketball, golf and track teams. Henry Schutzberger was the swimming coach. Mr. Melnick coached tennis.

Victorious over every opponent but

the Titans of Fenger, the football team placed second in the southside section. The wrestling team came through the season with one league defeat, deciding the south section title.

Through the able guidance of their coaches, our basketball team ended the season in fine fashion after playing a hard schedule. In spite of its being his first year at Morgan Park, Mr. Schutzberger brought his boys through a fairly successful swimming season.

## OUR CAPTAINS

*The top! they lead the crop*

One of the greatest honors a player can receive is to be elected by his team mates to lead the team as captain. He is the man to whom the members of the team look for leadership in every contest.

Mike Boorman led the football team

through a successful 1940 season. Bob Hughes and Irving Ward co-captained the heavy basketball squad while Bob Nagle led the lights. Don Clemens headed the senior swimmers and Mike Ferrante, the Morgan Park baseball team.

## THE GRIDIRON GREATS

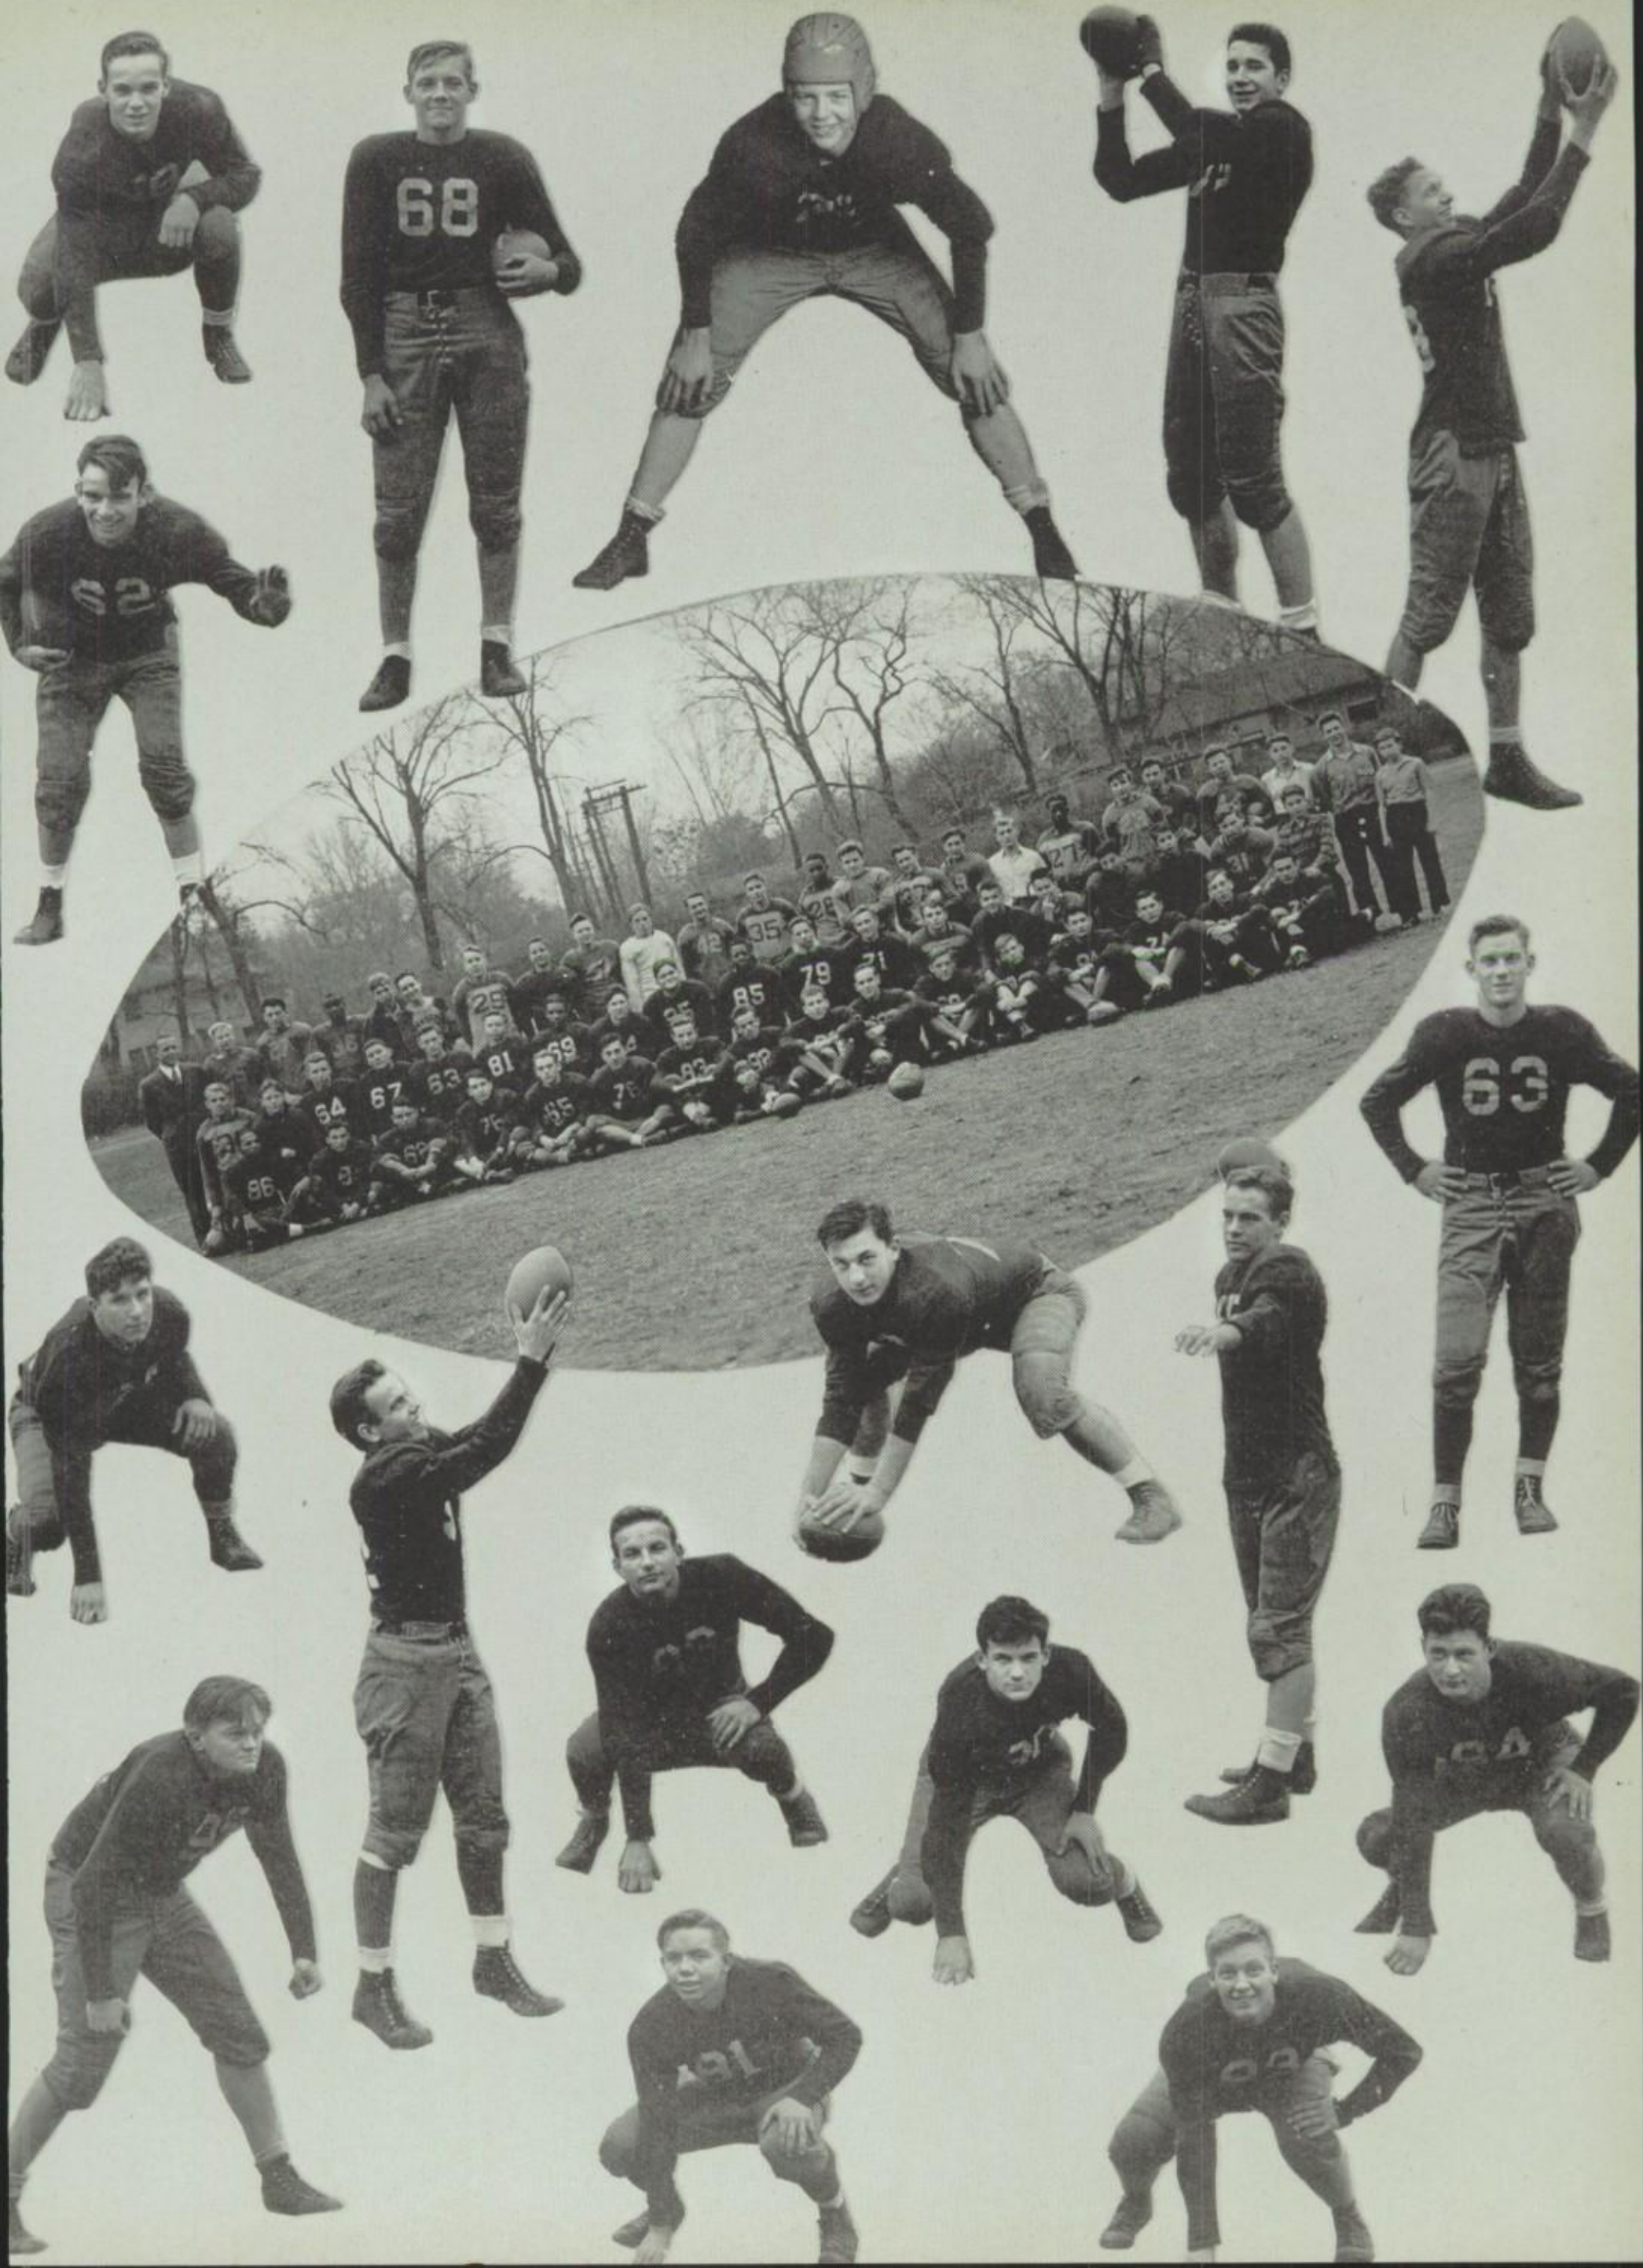

DETERMINATION to win and a spirit of true teamwork earned Morgan Park's 1941 gridgers one of the most successful seasons in recent years. It is the superior teamwork which brought the boys their outstanding victories.

To their captain and great center, Mike Boorman, the team showed their loyalty in every game. Other linemen whose play throughout the season greatly added to the effectiveness of the squad include: Dick Fryer and Don Bruesch, ends; Ed Karko and Jim Odell, tackles; and two stalwart guards, Charley Fitch and Frank Karge.

Credit must be given to Warren Yaap, our triple threat halfback and to Rawley Handbury, quarterback. Dinny Sproul, hard driving fullback, and Ray Jones, speedy halfback, complete the backfield.

Among the second string boys are Ivan Smith and Joe Copeland, who were out for injuries. Others were Bill Bliss, Bob Pringle, Jack Sheehy, Phil Mitchell, Paul Brown, Tom Green, Kieth Walker, Si Shuffert, Spud Hall, Ralph Kruger, Ed Cornwell, and Louie Cioni.

## *The gridgers! good to the*

EMPEHI'S gridiron eleven came through the 1940 season with flying colors. As a preliminary game they opposed Bloom. Putting up a great fight, they lost 20-0 against a heavier lineup.

In their next preliminary game they met the Pullman team but managed to whip them 7-6, as a result of a pass thrown from Warren Yaap to Don Bruesch.

The first league game was against Parker. Empehi's all city back, Warren Yaap, completed seven out of eight passes, two of which scored. Quarterback Rawley Handbury, and left end Don Bruesch were on the receiving end. Ed Karko, fullback for the day, made the first touchdown when he plunged from their one-yard line, making the score 20-7.

Hyde Park, who entered the south section this year, was their next opponent. Again the Yaap-Bruesch combination

saved the day. During the last six minutes of the game Empehi scored two touchdowns with Frank Karge kicking the extra point, making the score 13-0. This was the most spectacular game Empehi had witnessed for several seasons.

In their third game, Empehi defeated Calumet by a score of 29-13. Credit goes to Jones, Handbury, and Sproul for the long runs during the game. Additional credit goes to Bruesch, Fryer, Pringle, and Yaap for their passes which piled up the score. Our captain, Mike Boorman, succeeded in throwing Calumet ball-carriers for great losses. We also saw some spectacular blocking by Jim Odell, Ed Karko, Charlie Fitch, and Frank Karge.

The Bowen game made it four straight for the Empehi's gridgers. The Mustangs kept to the ground for the majority of the game, but the touchdowns were scored on passes.

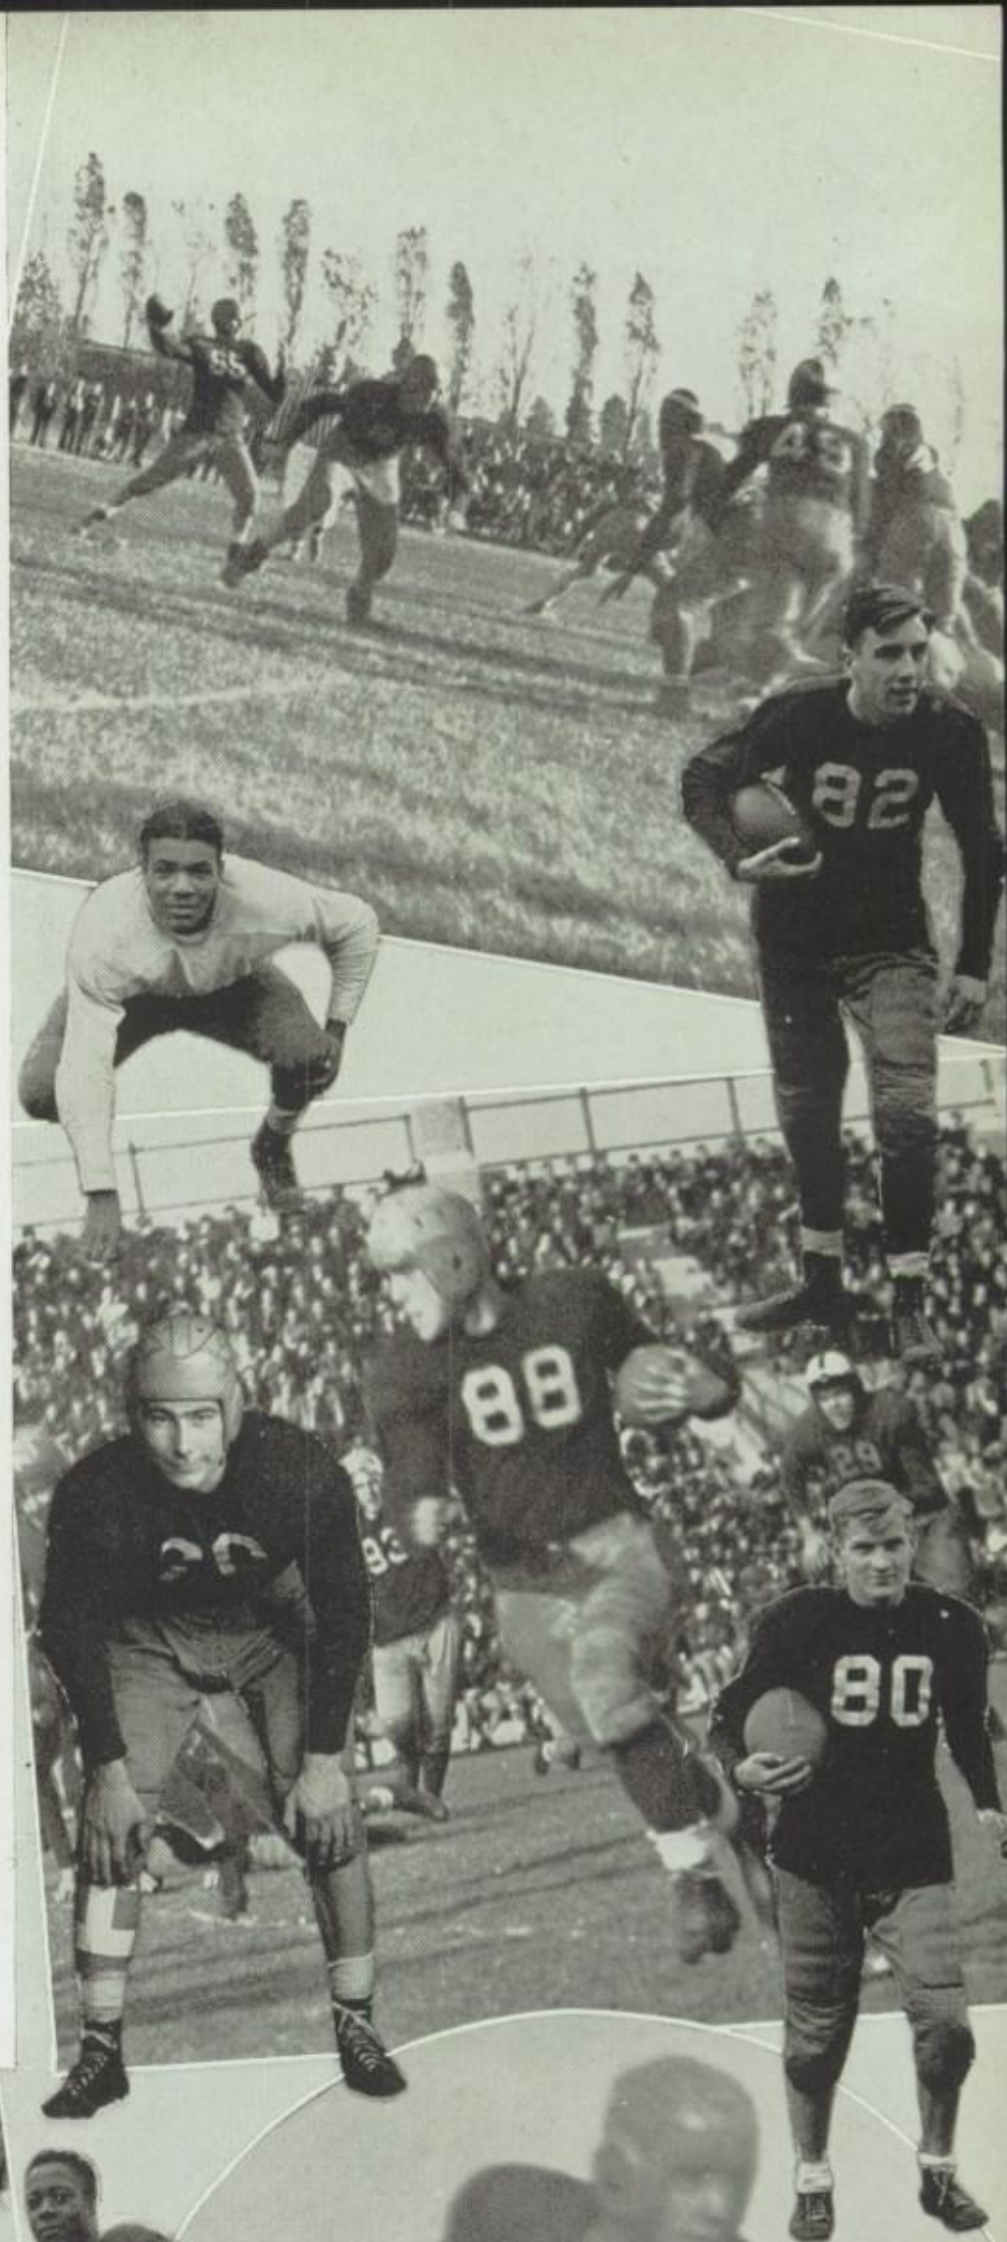

## *last bench sitters*

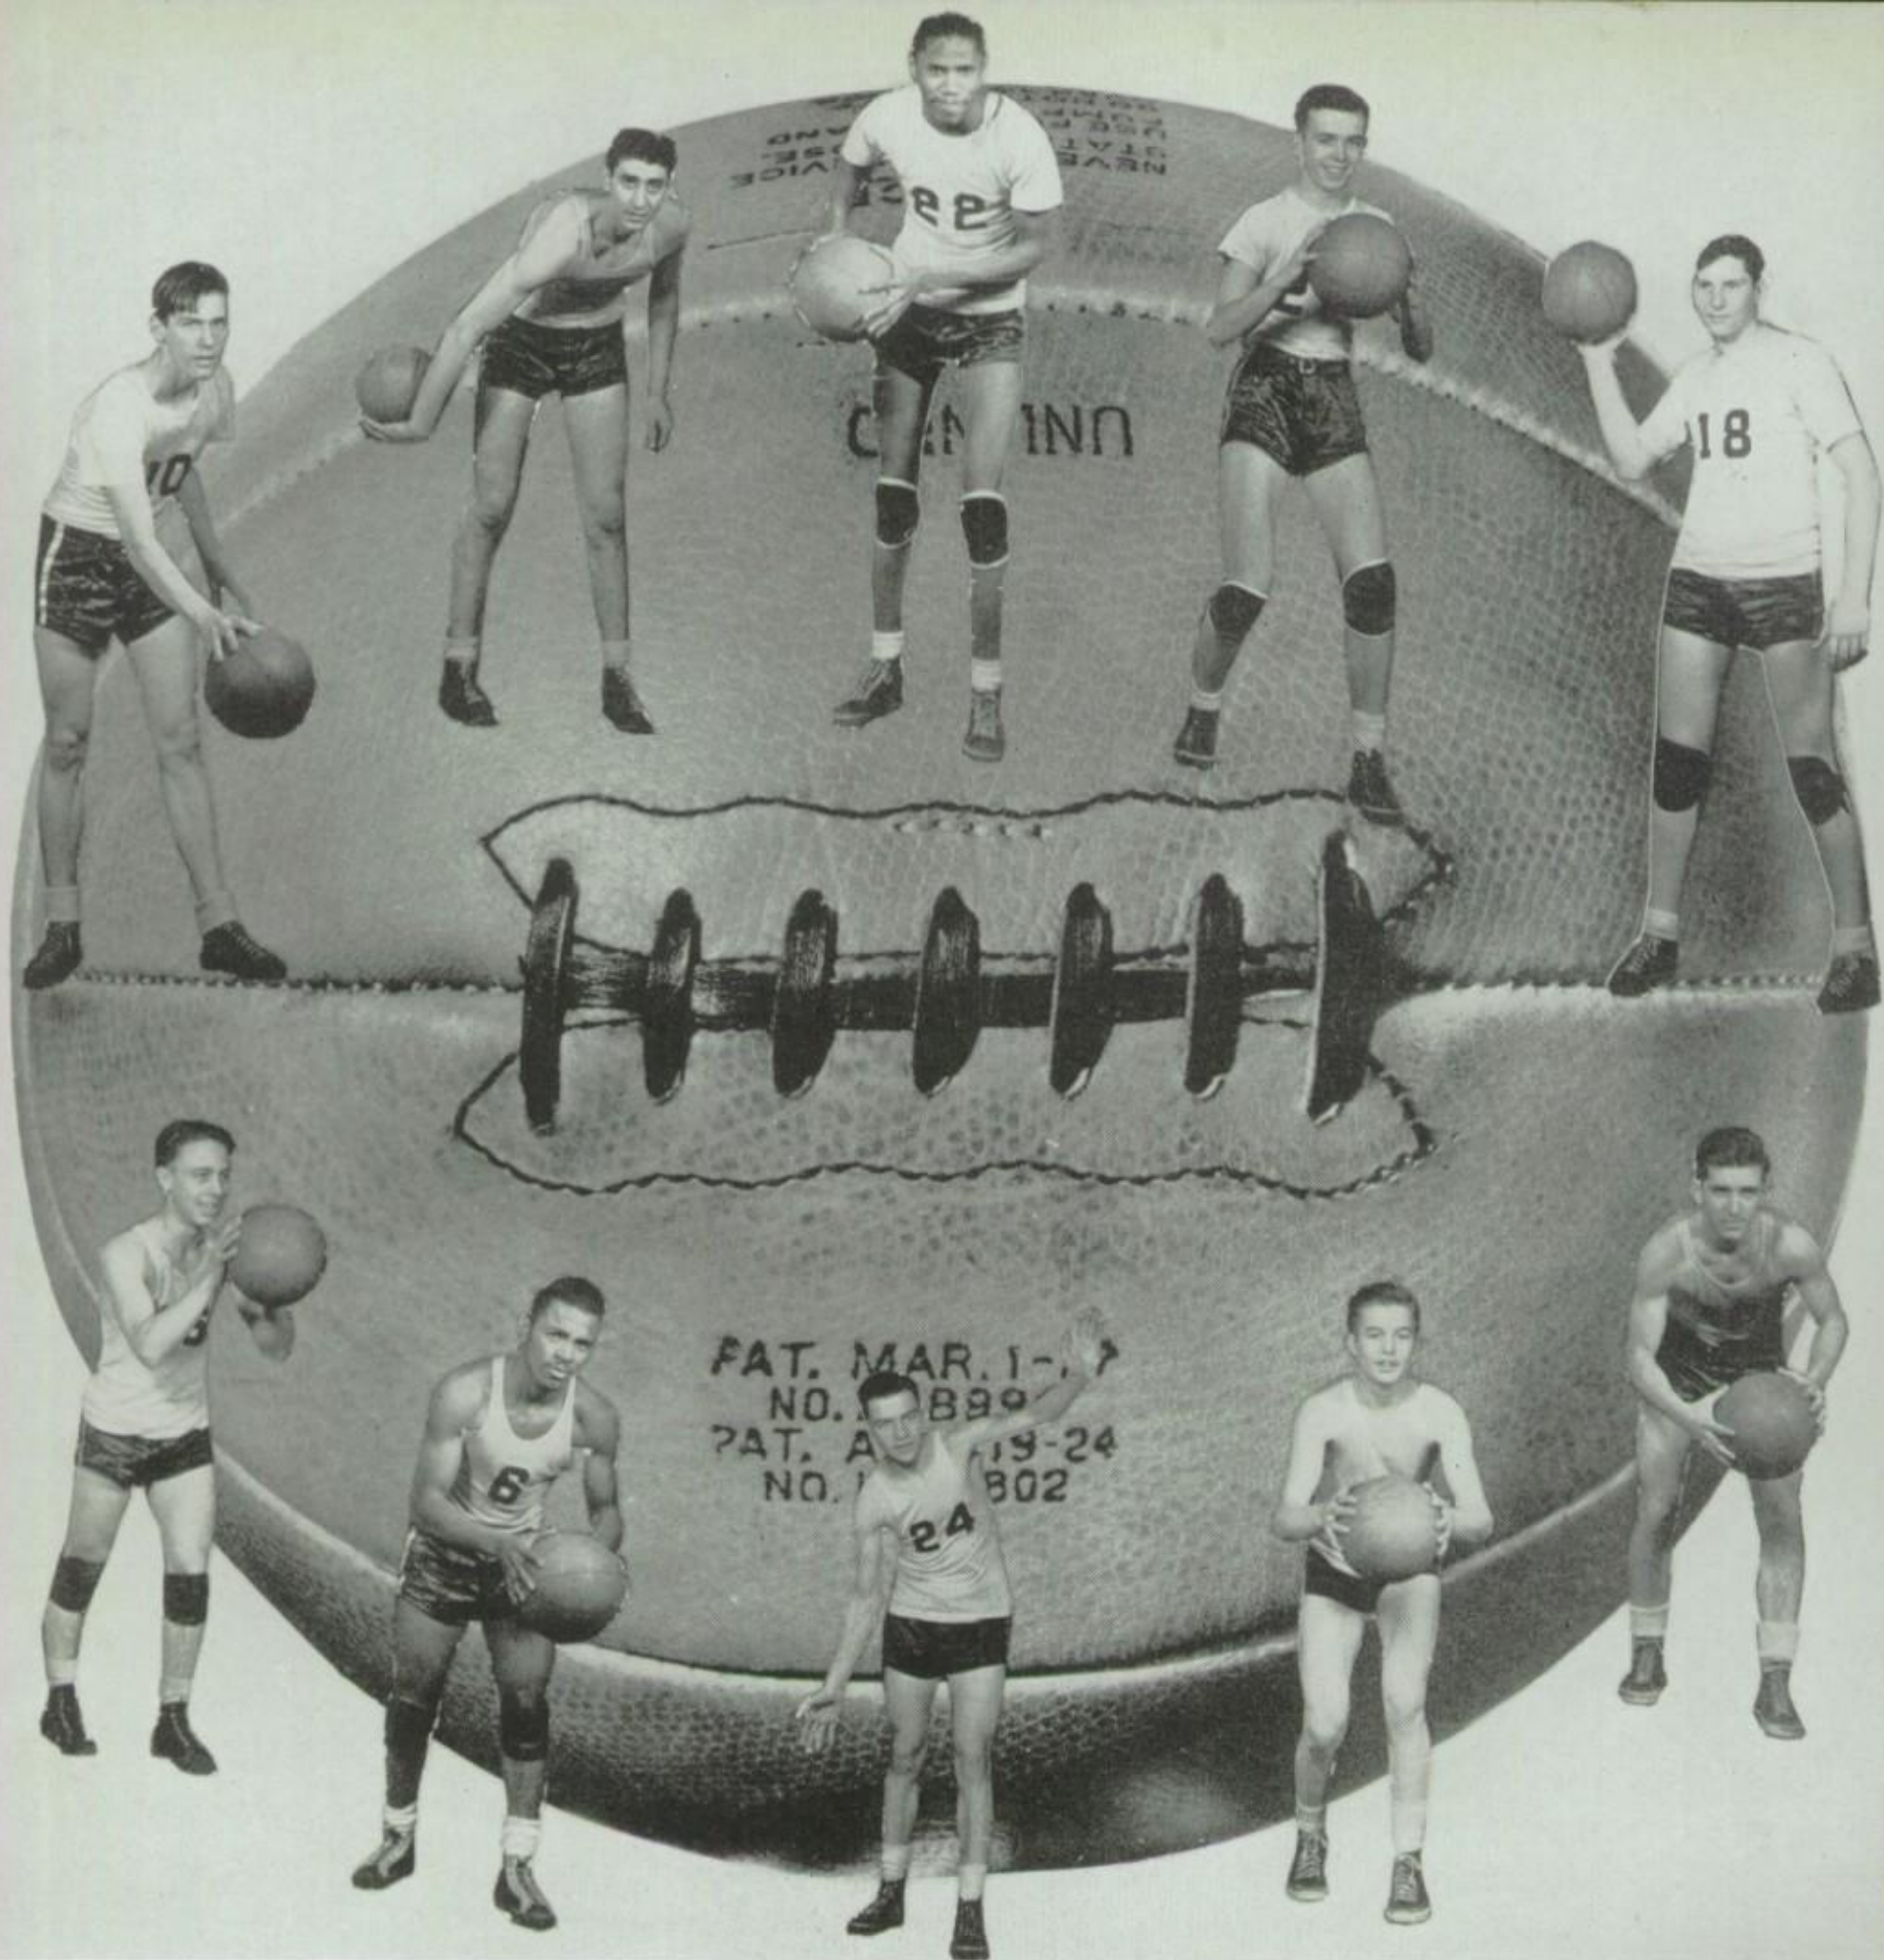

Scoring in the last three quarters, Morgan Park overwhelmed Hirsch 19-0. Our last touchdown was set up when a Hirsch man fumbled after being hit hard by Frank Karge. Yaap then skirted right end for the score. Karge again added the point after touchdown.

In the Fenger game, Morgan Park went on the field determined to win, but we were overpowered by a larger, heavier team. For sixty minutes Empehi fought hard but lost 32-0.

Coming back after being defeated by Fenger, Morgan Park crushed Harper 26-6, with Harper scoring one touchdown when Empehi's sophomore team was playing. Yaap ended the season with a 99 yard run for a touchdown.

## *The Cagers!*

*many won their majors*

Coach McGregor's boys finished, after a tough season, in seventh place. Due to so low a placement, the inference might be drawn that the Coach has no material with which to work. This is not so. Empehi has the best of material, but due to an extraordinarily tough list of competitors and a generally unlucky season, Morgan Park's cage five were downed.

Irving Ward, our 6 foot 2 inch center, made, throughout the season, a total of 109 points in league games alone. His preseason scoring doubled that number.

February graduation terminated the basketball career of Russel Kerns, an outstanding athlete. He has been a real headache for Empehi's rivals for the past three seasons.

Robert Hughes received the captain's star.

The '41 season will bring us the same team with but few exceptions. With a little more good fortune next year, our boys should make a good showing.

ROW 1: Duran, Niernan, Ward, Hughes, Kerns, Haxby, Love. ROW 2: Smith, Rump, White, Gill, Brookford, Melin, Ferrante. ROW 3: Dutton, Barkley, Erwin.

## *The ponies! Coach Taylor's Cronies*

Empehi's lightweight team suffered one of those tough seasons that comes to every school. Fighting right up to the last minute, our boys ended in sixth place. The graduation of our co-captains, Treptow and James, two fine athletes, was quite a setback to the team and undoubtedly was a large factor in the results.

Although the cagers suffered considerable material defeat, they suffered no moral defeat. George Correll, while playing only half the season, totaled 76 points for his team in the league games. Bob Nagle received the captain's star. This lad shows great promise for the future.

Despite all losses, it is believed that the material for next year will make a better showing.

## BASEBALL

### *Diamond stars! none better than ours*

Empehi's nine looked like a fighting outfit this year and with a little luck should finish well up in the section fight. Coach McGregor found his squad hard hit by graduation this year. A complete new nine had to be formed and the only three regulars returning from last year's squad had to be shifted to other positions. Coach McGregor's biggest problem, as it was last year, was to find mound talent. A search was made to find a running mate for Herb Johnson, sophomore ace. The shifting of Florian Falk, last year's third baseman, to the spot behind the plate gave the squad a smart backstop. The problem of finding a replacement for Russ Kerns was solved

when Irv Ward, who played several positions last year, was finally settled on the first sack. Kenny Rump was shifted from his outfield post to take over the second base position and Tom Rupp covered the shortstop position. A hard fought battle was staged for the third base berth and it was quite some time before Coach McGregor could decide between George Correll and Bob Martin. For the first time in several years an outfield which packed the proper punch at the plate was found. The garden trio of Rawley Handbury, Bob Farrington, and Don Murray, patrolled the pasture adequately and provided the club with its extra base power.

## SWIMMING

### *The tankers! our water spankers*

UNDER the able leadership of their new coach, Mr. Henry Schutzberger, Empehi's senior splashers have continued in the Morgan Park tradition of fine sportsmanship combined with winning ability. Donald Clemens has been the senior captain for this season. The highest scoring members of the senior squad were Bob Graef, a consistent winner in the 200-yard crawl and 40-yard free style; and Gene Lee, a star of the 100-yard breast stroke event. In the relay events Rawley Handbury, Keith Walker, Ed McKay, and Donald Clemens made up a combination hard to beat.

In the junior squad Gerald Douglass was elected captain. Walter Scott led in the number of points scored. Huddy

Moore also ranked high until he was promoted to the ranks of the senior squad.

Because of increased student interest and larger attendance at meets, the teams were able to purchase 24 new robes of green and white. Next season they hope they will be able to procure swimming trunks in the school colors for every member of both teams.

Although they have not had a remarkably good season, both teams have been fairly successful. In spite of the fact that Bob McGonigal, who has been a constant winner in free style distance events for the past three years, graduated in February, the senior team continued to come in first in several meets.

McGonigal, Rydin, Clemens, Schutzberger, Walker, Thayer, Lee, Douglas, Krause, Graf, McKay, Handbury, Bonham.

## WRESTLING

### *Groaners! our rivals were mourners*

Coach R. C. Antonides' wrestling team topped off a banner year by winning the South Section crown. Two Mustang grapplers took second place in the city meet and a third placed fourth.

Both Captain Vic Telander, wrestling in the 125 pound class and "Oakie" Harris, 115 pound grappler succeeded in reaching the finals in the city contest while Jim Odell, veteran heavyweight made the semifinals.

The section crown went to the Mustangs on the flip of a coin for the Green and White were tied with Fenger and Parker for first when the season closed. Handicapped by the loss of Frank Harge 175 pound stalwart the Mustangs were defeated by Crane in the semifinals of the playoff round.

Bad luck and injuries both plagued the matmen all season but they proved

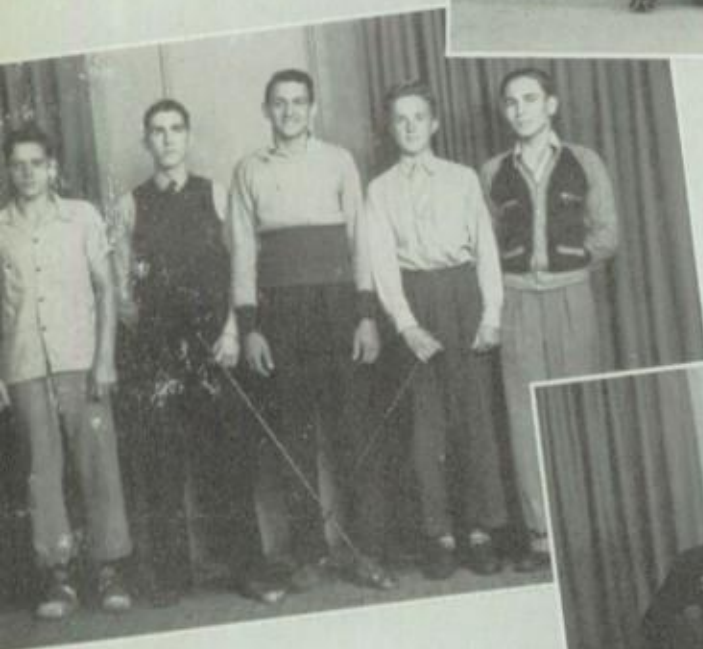

themselves equal to the task. Karge, Bill Blanchard and Florian Falk were all missing for part of the season.

The regular lineup was made up of Dynamite Frank Burns in the 95 pound class, Bill Powers in the 105 pound division; Harris in the 115 pound class and Captain Telander in the 125 pound weight. Bob Farrington took care of the 135 pound weight and Carl Borneman held down the 145 pound spot. Bud Ewing wrestled in the 155 pound division and Florian Falk filled the 165 pound spot. The 175 pound class was taken care of by Frank Karge and Odell filled the heavyweight spot. Garfield Jenkins, Cornelius McClure, Tex Blanchard and Phil Mitchell all wrestled in several matches during the season. The squad was managed by Ray Cioni.

## TRACK, TENNIS AND GOLF

Last year's team, under the captainship of Bob Henry, missed qualifying for the south section finals by losing to Parker. Team members were Dick Nutt, Bob Martin, Rooney Richardson, and Al Urenos. Since only one man, Gordon Eaton, is returning from last year, prospects don't look overly bright. It is hard to make a winning team of inexperienced players. Coach Taylor has named Gordon Eaton as captain for this year.

★

At the time of this writing, the track team had not been chosen. Possible candidates are Paul Brown, Clinton Parsons, Walter Pruter, George Whaley, Ray Cioni, and Din Sproul. These boys have the makings of a fine team, so we

hope they will be up on top fighting for the section title.

★

As yet, it is not certain who will comprise the tennis team this year. It is believed that Warren Alcock will act as captain and play number one spot, while James Towns will play in number two position. They are the only two letter men returning from last year.

From the choice of fine candidates, Empehi should find a good doubles team. Among the potential prospects are Garfield Jenkins, Rudolph Watson, John Melin, Kenneth Fiske, and Joe Heidecker. Coached by Mr. Melnick, the team hopes to repeat its fine performance of last year, and again win the city as well as the south section title.

## BOWLING

### *The bowlers! nowhere better rollers*

The Bowling Balls, a squad composed of five of Empehi's football players, has won first place in the Morgan Park Bowling League for this season. Jim Odell, who rolled up a season average of 158, was the high man of this winning group. The other members of the Bowling Balls are: Rawley Handbury, 151; Jack Sheehy, 149; Frank Karge, 141; and Bill Schuffert, 151. Minute Men captured second place and in a close contest between the Mustangs and the Skyballers for the number three spot, victory finally went to the Skyballers. Fourth place therefore fell to the Mustangs. The other teams in the league are as follows: the Gutter Dodgers won fifth spot; the Lucky Strikes placed sixth on the list; the number seven spot went to the Sparkplugs; and Zombies were in eighth place.

In the field of individual averages for this season, Jim Townes was highest with a score of 162; second place went to Bob Martin's 161; and Bob Driscoll won third place with his 160 score. Number four spot went to Kenneth Ness, who averaged 159, while Jim Odell's 158 average won fifth place for him. These five fellows make up the first place honorary team, and they will represent Morgan Park in the sectional tournaments. Gordon Eaton was highest in the individual three game totals with a high score of 563. Bill Millord ranked first in a single game with a 247 score.

The Bowling Balls and the Minute Men, Empehi's first and second placers, entered inter-school competition. The Bowling Balls lost out to Tilden Tech's team, while the Minute Men lost to Lindblom.

## ACTIVITIES

IT IS in extra-curricular activities that the Morgan Park spirit is so well exemplified. Our school presents an opportunity for participation in an abundance of organizations. Linguists, zoologists, dramatists, philanthropists, and many others, have their part in the club system.

## THE STUDENT ASSOCIATION

### *The S. A. Empehi's right way*

ANOTHER successful year has rolled by for the Student Association. The "Empehi Funhouse" was the theme followed in the fall, while the "S. A. Streamliner" zoomed ahead in the spring, bringing dances, movies, variety shows, contests, sporting events, the Empehi News and this year book. Some highlights of the year:

Inauguration of a budget system wherein separate funds receive money on a percentage basis.

Organization of two new committes, Probation and Assembly.

Membership of the Student Association in the Ridge Service Council.

Leading activities for the current year were Barbara White, president; Tom

Maver, first vice-president; Jim Odell, second vice-president; Marilyn Mikesell, secretary-treasurer during the fall semester, and Sue Schenk in the spring.

The Executive Committee also included for the fall semester: Henry Melin, Student Court Judge; Sue Schenk, Promotion Committee head; Bud Buckley, Athletic Commissioner; and Lois Jacobs, editor of the Empehi News. Spring semester heads included Rawley Handbury, Student Court Judge; Jim Buys, Promotion Committee head; Charles Fitch, Athletic Commissioner; and Bob Harper, Empehi News editor. Richard Kershner, editor-in-chief of the Annual, completed the list.

## THE STUDENT COUNCIL

### *The chairmen! cute girls, fair (?) men*

The Interclass Council, chairman, Jim Odell, acted as the Social Committee, planning and organizing all class socials. It is composed of the class officers.

The Probation Committee, chairman, Tag Williams and Rita Feil, is really a conciliatory board established for the benefit of all students who have been excluded or suspended, and who wish to be reinstated. One member sponsors each offender who applies, and he is held responsible for the actions of the individual.

The Student Court, headed by Henry Melin and Rawley Handbury, is one of the most influential student organizations as it has established the fact that the greater part of student discipline may be successfully taken out of the hands of the faculty. Acting under the Chief Justice are the judges of the various courts; the Smoking and Snowballing, Driving, Interior, and Assembly Order Courts.

The Student Bureau of Investigation, chairman, Gerry Dick and Philomen Mitchell, works to eliminate all petty thefts. The S. B. I. and the Bicycle Guard, headed by Herbert Haugabrook, work in collaboration with the Student Court.

It is divided into several sub-committees,

namely, the Ticket Sales, Publicity, Poster, Assembly Skit, and the S. A. Sales Committees. The latter is composed of salesmen who canvass divisions.

The Assembly Committee, headed by Don Goldsmith, has proven itself extremely useful in presenting ideas for assemblies and on several occasions actually engineered their production.

The Student Council, with Barbara White as chairman, is composed of the division room chairmen, and has meetings periodically to give the members a chance to make any helpful suggestions for the school's welfare which may have been brought to their attention. Through the aid of the Student Council, the Executive Committee is better able to keep in close contact with school opinion and legislate on the behalf of all.

It is the job of the Financial Committee, chairman, Inez Brown, to handle all money taken in by the S. A. and to systematically record the payment of dues. The Financial Committee is under the direct supervision of the S. A. secretary-treasurer, Marilyn Mikesell and Sue Schenk.

The Promotion Committee, chairman, Sue Schenk and Jim Buys, gives the indispensable service of promoting anything which is sponsored by the S. A.

*we who slaved to do this!*

THROUGHOUT the year, the Annual Staff tried to keep one goal in mind, that of presenting a year book of unique distinction, which would set it apart from those of other years. Striving to present a pictorial picture of student life, we take pride in our two refreshingly new features. The photo melange is designed to capture your imagination, while it is hoped that the little wooden puppets, Betty and Bob Empehi, will captivate you.

We wish to extend our thanks to our adviser, Mrs. Dorothy Cella, who has won the devotion of one more staff.

Cooperation of numerous persons, in and out of school, with whom we have come into contact has helped to make our task the more pleasant and gratifying.

The editor, Richard Kershner, was assisted during the '40, '41 season by Pauline Robinson, literary editor; Bob Matthias, sports editor; and Walter Hogg and Bob Olsen, art editors. A commendable job was done by George Katzmann, business manager. Deserved thanks is due June Ekloff for the large amount of work she has done.

A CAPPELLA CHORUS, under the able leadership of Mrs. Bernice Hartle, has become, after seven years, a tried and true Morgan Park institution. Organized for the purpose of promoting musical appreciation and vocal harmony, it continues to hold a definite place in the school's activities.

Any student who has completed, with credit, two semesters of music is eligible for membership. More than one hundred young people enjoyed the privileges of this unique pursuit in music during the past year.

On the day before Christmas vacation, in keeping with the Empehi tradition, the A Cappella chorus and the Girls' Glee club participated in the Christmas assembly. The chorus, for the first time in its history, represented the high school in the annual choral contest held January 16 at the Hyde Park high school auditorium. They presented the Annual Choral Concert in Blackwelder Hall May 23, in collaboration with the Girls' Glee club.

## CIVIC ACTIVITIES

*— the patriotists and biologists!*

The former Botany Club has reorganized under the name of Biology Club, and now is one of the largest clubs in the school. All members, under the sponsorship of Miss Bessie Bell, have a refreshed interest in the work.

Officers for the past year were both efficient and cooperative. Theresa Bell and Charles Stevens successfully held the office of president, while Charles Stevens and Estelle Sharpe took over the position of vice-president. Estelle Sharpe and Betty Farrington called the roll and recorded minutes, and Betty Farrington and Faith Spitler looked after the club funds.

Activities and programs for the past year were many and varied. The club attended flower shows and sponsored a couple of sales, aside from their regular program. Robert Scheidt gave a most interesting speech on his animal collection, while the club had speakers on Chicago Parks and Bird Banding. Arrangements were made for a return visit of Sam Cambell with his incomparable wild life movies. Club members enjoyed the annual trip to Turkey Run during spring vacation.

"ETERNAL vigilance is the price of liberty." "Aggressive fighting for the right is the noblest sport the world affords." These two passages embody the principles of the American Youth League.

Dr. Eston V. Tubbs was the founder of the League. Miss Anna J. Callahan and Edward J. Meyers are co-sponsors.

Its members are made up of students who have attained the rank of juniors and seniors.

The chief aims of the American Youth League may be stated as follows: 1) to foster the appreciation of our rights as American citizens, 2) to acquaint us with our responsibilities in maintaining these rights, 3) to encourage our patriotic inclinations, 4) to promote international goodwill and understanding, 5) to bring high school students together in other American Youth League units.

President for the last year has been Warren Yaap, vice-president was Nancy Swearingen, acting in the capacity of treasurer was Dorothy Allison, while secretary's position was filled by Bud Olsen.

## *inclined! kept Empehi before behind*

SIGMA is one of the most active and useful organizations in the school. It has a threefold purpose; 1) to render service to the school not only through the student's exchange, but by furnishing commercial work to any teacher or club, 2) to give the students a broader aspect of the business world, and 3) to provide more social life for commercial students.

THE first meeting of the new club, Sigma, was a social gathering at the home of one of the members. Temporary officers were appointed, but it was decided later that they should hold the offices for the remainder of the semester. Election for new officers will take place in May at Mrs. Schachtlie's home.

All students prominent in commercial activities and having a "G" average or better are eligible to join. Mrs. Schachtlie and Miss Weislander are co-sponsors.

Spring semester officers were; Phil McKee, B.B.; Gloria Nowicki, C.C.; Mae Paula Goldsmith, P.S.; Robert Paus, B.K.; and Walter Berg, O.B.

FEW persons realize how important a relationship exists between the Business Staff and the Empehi News. The Staff has the responsibility of raising sufficient revenue to lend financial support to the weekly editions of the newspaper. This is done through the soliciting of advertisements.

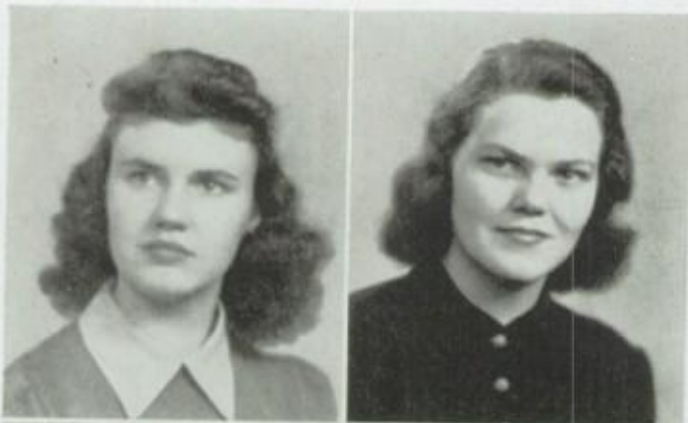

Other important functions consist of distributing the papers weekly to teachers and students both at the main building and the branch, and sending papers to various other schools and advertisers.

As during preceding years, Mrs. Dorothy H. Cella has been the faculty adviser, lending a helping hand to Marilyn Peters, this year's manager. Mary Ann Cooley filled the position of assistant manager, Betty Farrington acted as bookkeeper, assisted by Joan Rumpf in the fall semester. Vera Fritsch was assistant to Peggy Storrs, copywriter, while circulation was handled by Joanne Nicholas and Betty Orr. The exchange was under the management of Elaine Allroth in the fall semester and Margaret Greenman in the spring. They were aided by Virginia Radius and Laura Jean Over, respectively.

## *The writers! a bunch of pencil biters*

DURING the past year the members of the Empehi News staff have tried to give the students of Morgan Park the kind of newspaper they want. In pursuing this goal, they have attempted to streamline the paper by eliminating column lines, presenting more pictures and cartoons, and introducing numerous feature stories as well as keeping to the policy, established by their predecessors, of printing factual and up-to-date news of events around Empehi.

Lois Jacobs ably occupied the editor's desk during the fall semester, assisted by Judy Davis, associate editor. In the spring Bob Harper succeeded to the editorship and received the able assistance of Gerald Smith, associate editor. A new position was introduced during the spring semester when Barbara Murray was appointed Literary Editor. Once again the staff enjoyed the encourage-

ment and counsel of Miss Alma Bauman, adviser, in carrying out their work.

A member of the National Scholastic Press Association, Quill and Scroll, and the Greater Chicago Press Guild, the Empehi News took active part in numerous contests and conferences. In the latter part of November Lois Jacobs, representing the editorial staff, and Marilyn Peters, the business staff, attended the N.S.P.A. convention in Cleveland. In March, the staff competed in both the extemporaneous and submitted divisions of the annual Chicago Press Guild Tournament. Twelve representatives attended the annual Medill Press Conference in Evanston during the last weekend in March.

Marilyn Peters and her business staff, under the sponsorship of Mrs. Dorothy Cella, ably assisted the editorial staff by soliciting all advertising.

The purpose of Le Cercle Français is to foster interest in the French speaking peoples and to gain a more intimate knowledge of customs and life in France and French speaking countries. Through the aid of its sponsor, Miss Beulah Kemp, it has presented interesting programs. Mrs. M. Darling told of French customs and traditions at a Mother's Tea. Christmas time found the club host to a group of Hyde Park high school students of French who presented a French play. Christmas music was also featured at this program. Our own students presented a French play during the spring semester.

Activities have included attendance at a French Soiree at the Goodman Theatre and a bake sale. Proceeds from this sale went toward the purchase of club pins, which are awarded to members earning 25 activity points.

President for the fall semester was Jane Bickel, assisted by Dorothy McDougal, Marge Thomas, Mildred Blomquist, and Roger Woolley, in the offices of first vice-president, second vice-president, secretary, and treasurer, respectively. The spring president was Nancy Swearingen. First vice-president, Dave Lamoree; second vice-president, Margaret Greenman; secretary, Faith Spitler; and treasurer, Laura Jean Over, were the other officers.

THE Fashions of the Hour club has successfully completed its fifth year under Miss Helen Greenfield's splendid sponsorship. Any girl who has completed one semester of sewing and is enrolled in the second semester is eligible to join the club.

Entertainment for the past year has consisted of a speech by Miss Monsch on her collection of South American dolls and a speaker from Vera Jane studio. Under auspices of the club, Simplicity Patterns presented two assemblies to feminine audiences. In June the sewing classes presented an assembly in which they modeled clothing which they had made.

Fall semester officers were: president, Virginia Hoffman; vice-president, Pauline Robinson; secretary, June Hughes; and treasurer, Ruth Barquist.

Officers for the spring semester were: president, Virginia Hoffman; vice-president, Lucille Krause; secretary, Helen Wylie; and treasurer, Janise Howell.

## CIVIC ACTIVITIES

### *The nationally honored and*

IN THE spring semester of the year 1939 a branch of the National Honor Society for secondary schools was founded at Morgan Park. It was established to create an enthusiasm for scholarship, stimulate a desire to render service, promote worthy leadership, and encourage the development of character in the students.

The following qualifications are necessary in entering the society: the candidate must have spent at least one semester at this school, (he) shall be a member of the senior class and of Tau Epsilon, and (he) shall have maintained an E average during the first three years in high school, with no grade below G.

It is the custom of the society to give an assembly for the purpose of inducting new members into the club.

The officers for fall and spring semesters, respectively, were: president, Alice Wilhelm, George Schrock; vice-president, Richard Nutt, Marge Thomas; secretary, Richard Brashler, Shirley White; treasurer, Lois Jacobs, Richard Rydin.

THE Rhythm Club was organized during the spring semester. It has made surprising progress, having successfully given a sale of "jitterbug manikins," taken part in the spring production, and presented an assembly of its own in June. The members also took part in other school assemblies and socials.

Thirty boys and thirty girls make up the membership, its being of good size for so young an organization.

Student Association members are eligible after passing a tryout. All dancers are encouraged to join. All types of dancing are taught, including square dancing, tap, modern, toe, acrobatic, toe-tap, ballroom, and South American.

It is believed that its purpose of arousing active interest in dancing among the students, has been served most successfully. We hope that the good work will continue in the future.

Officers are: Dorothy Grundman, president; William McCumber, vice-president; Maxine Rutherford, secretary; and Donald Goldsmith, treasurer.

We would like to say "thanks" to Miss O'Rourke, club sponsor, for her grand cooperation and understanding in our undertaking.

## *killed! That's how these are billed*

Eleven years ago on April 21, 1930, the legendary date of the founding of Rome, Sodalitas Latina, the Latin Club, was formed. This club has three vital aims. It desires to give its members a clearer idea of the beliefs and customs of the ancient Romans. The club also aims to help students who find difficulty in mastering the language. The Latin Club maintains a scholarship fund by a sale of calendars, and awards one hundred dollars to some senior applicant with a high scholastic rating.

In memory of the founding of Rome, a luncheon was held in the Hemicycle Room of Harvey's Michigan Avenue Restaurant. Our principal, Dr. Eston V. Tubbs and Captain George Lorentz responded to toasts. Our guest speaker was the Reverend Father Daniel Gabriel of the Hellenic Orthodox Church. He was born in Greece, and was a monk in the Monastery at Athos in Greece. He spoke on ancient and modern Greece and our debt to that heroic nation.

Miss Cora Petty was sponsor of the club during the fall semester. Officers were Judith Davis, George Katzmman, Richard Kershner, Inez Brown, and Robert Spierling. Mrs. Harriet Arthur Hecht was the sponsor for the spring semester. The officers were George Katzmman, Eloise Fischer, Jeanne Kehoe, David Katzmman, and Bernadette Pearson.

THE Human Relations Service Guild was organized in the fall of 1938. At that time the membership was composed of students of the Human Relations classes. Since that time, however, the constitution has been amended so as to include any student in the school interested in service work.

The work of the organization is, to a certain extent, divided into seasons or semesters. The fall semester is composed of Thanksgiving and Christmas drives. In the spring semester Easter seals are sold for the benefit of crippled children, while the remainder of the term is devoted to social activities. With these exceptions, the meetings are the same as those of any other club in the school, including social meetings and excursions to various places of interest in the city. With the help of Mrs. Harriet Brown, our capable adviser, and the splendid cooperation of the members of the club, all the activities and drives were most successful.

Officers for the year were as follows: president, John Ulreich; vice-president, Walter Pruter; secretary, Annamae MacDonald; and treasurer, Ruth Barquist.

# STAGE CREW

*The crew! set for any  
emergency old or new*

THE EMPEHI stage crew is one of the most important service organizations in the school. It assists the various clubs around school in preparing assemblies, and also is ready to help the faculty at any time, performing the odd jobs which do not fall in a special classification. It assumes much responsibility, handling several thousand dollars' worth of stage equipment each day. Efficiency is the motto of the stage crew, each of its members striving to make our assemblies successful.

New members are added each semester to compensate for the graduates. At first each new fellow serves an apprenticeship, assuming the title of "flunky." He does the jobs requiring the least skill while learning a particular position which he takes when a place is vacant. A member may work his way up to manager or assistant manager if he possesses particular executive ability, and has spent a number of semesters on the crew.

Bill Mathis was manager during the fall semester, while Bill Dingle held the position for the spring term. Curtis A. Hunter is faculty adviser.

## SCIENCE AWARDS

*Intellects! Accomplishment this award reflects*

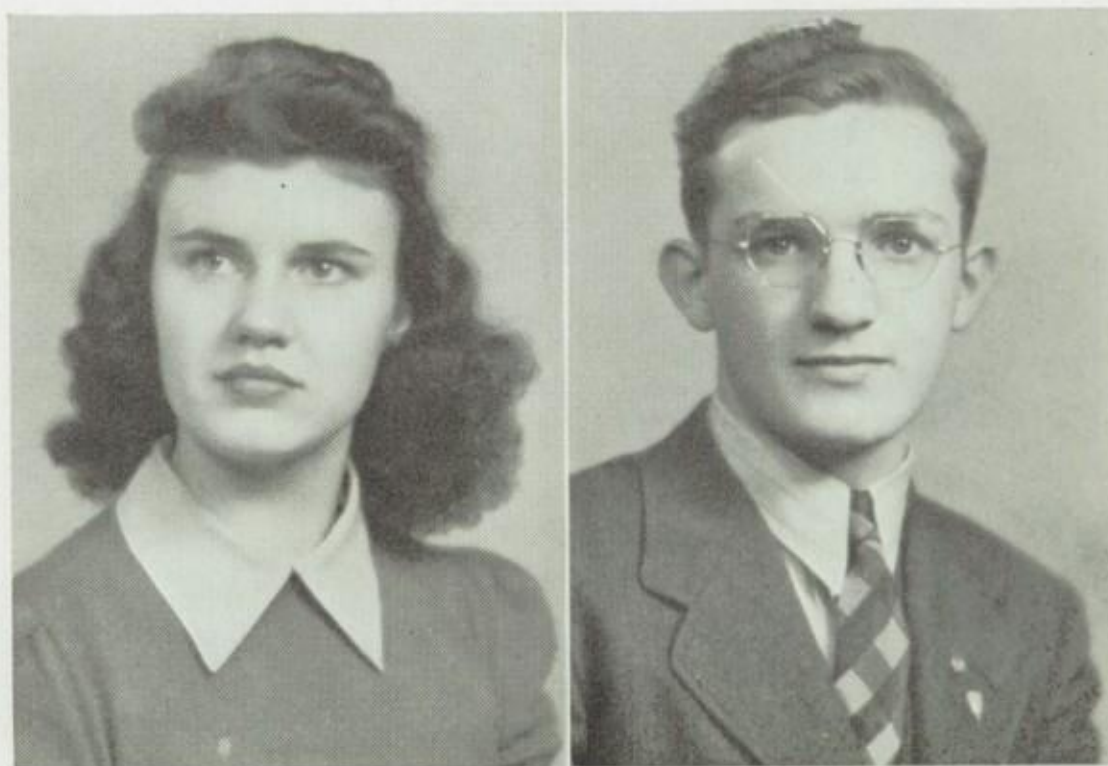

One of the highest honors to be bestowed upon Morgan Park graduates is to be presented the Science Award. Mr. Gay, for several years, has chosen a member of the June and February graduating classes to receive the medal.

A candidate for the award must have had at least three years of science, two of which must have been laboratory science, in addition to one or more years each of algebra and geometry. The student maintaining the highest science

grade is presented the award. If there is a tie for top scholastic rating in science, the determining factor is the mathematics grade.

Lois Jacobs of the February class, and Gerald Smith of the June class were the school's top ranking scientists for the year. Both of the students graduated high in their respective classes, and had a special interest in science. The award is a bronze plaque donated by the Bausch and Lomb Optical Company.

## MUSICAL ENDEAVOR

### *The musicians! honors are traditions*

The band department of Morgan Park has produced three students who have truly lived up to the school motto, "Tops in Everything We Undertake." These three students have entered the city-wide solo contest, and have qualified for the nation-wide competition. This illustrious trio is composed of Charles Kraft, baritone, and Shirley and Bud Skrivan, who have gained equal renown through their baton twirling. They will travel to Flint, Michigan, to compete in the nationals.

Warren Ewert, a fine clarinetist, deserves special commendation for his work with this band. While in New York, he participated in Major Bowes Amateur Hour, and won second place. He entered the National Solo Contest in 1940. Aside from all these extras, Warren has the task of conducting the band in all assemblies in which it plays.

All these personalities have worked in close cooperation with Captain Hartle towards the end that Morgan Park can boast an unexcelled instrumental music department.

## THE BAND

THE CONCERT BAND completed another successful year under the guiding baton of Captain Guy D. Hartle.

Officers for the Spring semester were: Arthur Duran, president; William Shurtz, vice-president; Sally Lofgren, secretary; and Jack Farquar, treasurer.

The band furnished music for the majority of school assemblies as well as forming a nucleus for the Military Band.

## THE ORCHESTRA

Morgan Park's fine musicians have had an opportunity to display their talents in the Concert Orchestra under the direction of Captain Guy Hartle.

Fall and spring officers were, respectively: president, Paul Larson, Grace Monson; vice-president, Ivan Smith, Robert Adams; secretary, Shirley Laycock; treasurer, Grace Monson, Ivan Smith.

# MUSICIANS HAVE EVENTFUL YEAR

The Instrumental Music Department of Morgan Park, under the direction of Captain Guy D. Hartle has made progress during the past year by "leaps and bounds," to use the coined phrase.

Both Concert Band and Concert Orchestra received an "S," the highest possible rating. This excellent record is due to the untiring efforts of Captain Hartle, and the cooperation of his student leaders.

Much credit goes to these industrious Band and Orchestra Department heads. On the football field, the drum major takes charge of the band, arranging them into their respective positions. Captain Hartle also does his part, for he has the job of drilling with the band on their "letter" formations.

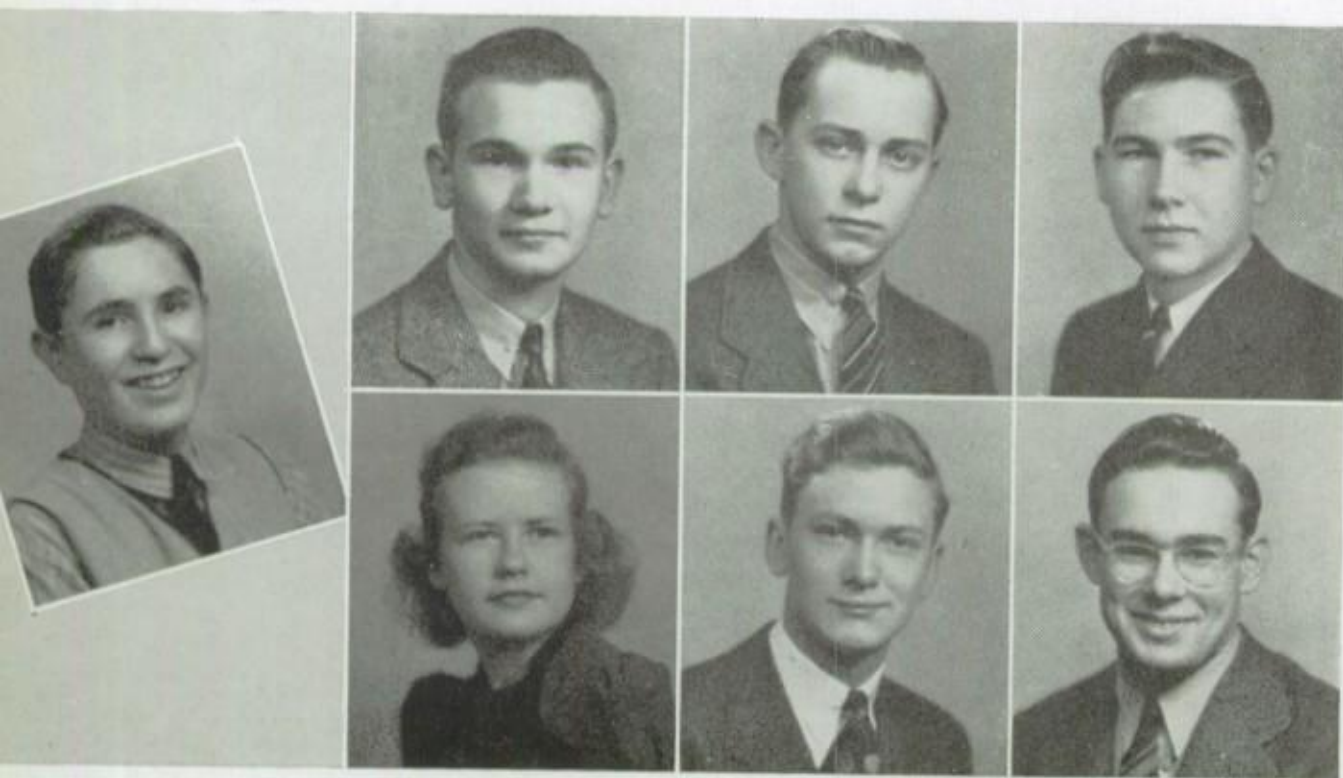

Last year, the Concert Band members received the thrill of their lives when they went to New York to play at the

World Fair. The trip was planned and financed entirely by the band. Any member can assure you that besides gaining invaluable experience, they had a wonderful time.

In addition, they aided other instrumental groups in presenting music for the annual spring production, one of the gala events of the year.

The orchestra participates in the graduation ceremony by furnishing incidental music as well as the traditional "Pomp and Circumstance."

Other musical organizations, the Intermediate Concert Band and Junior Band, have been turning out fine material for Morgan Park's future Concert Band and Orchestra. During procedure of one and a half years, it is possible to work all the way up through the ranks.

LARSON, EWERT, THORSELL

VOGELE

MONSON, DURAN, CORNWALL

THE JUNIOR BAND under the leadership of Captain Guy Hartle is well on its way to perfection. The officers presiding this past semester have been: president, Ed Cornwell; vice-president, Joe Copeland; secretary, Margaret Handbury; and treasurer, Betty Caris. We have many promising musicians, and are looking forward to their success in Concert Band work.

The Intermediate Concert Band, under the direction of Captain Guy D. Hartle, has been successful in giving Morgan Park students an opportunity to learn to play musical instruments. Previous to this year it was known as the Beginner's Band. Spring semester officers were William Vogeles, president; Richard Winter, vice president; Shirley Skrivan, secretary; and Shirley White, treasurer.

## *Photo fanciers, show camera ability*

LAST year's winner of the Spirit Cup, given to the club with the most outstanding record of achievement, Quill and Scroll, International Honorary Society for High School Journalists, is ever striving to maintain the high standards established in the past.

During this year the Morgan Park chapter participated in three national contests as well as in the all city competition. At the Medill Press Conference held at Northwestern in March, Roger Woolley won first place in the Current Events division.

Initiation of 22 new members during the spring semester marked a new high in the chapter's membership, raising the total to 38 members. Requirements for initiation are 45 inches of "string," good scholastic standing, and recommendation of Miss Alma Bauman, club adviser.

Executive positions were held by Bob Harper, president; Nancy Swearingen, vice-president; Judy Davis, secretary; and George Katzmman, treasurer during the fall. Spring officers included Sally Lofgren, Richard Kershner, George Katzmman, and Barbara Murray.

THE Visual Education Service Bureau of Morgan Park is responsible for all the educational movies and slides shown throughout the school. Under the able leadership of Mr. A. R. Gay, a secretary and two operators check the films in and out and put on movies each period every day.

This year the V.E.S.B. has also trained members of the classes in which the movies are chiefly shown to run both the silent and sound projectors. This has greatly increased the efficiency of the organization.

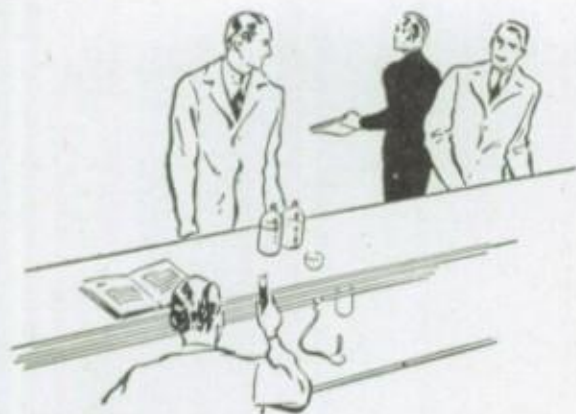

Shirley White was the chief secretary this year, while Warren Colley and Donald Mailhail worked as chief operators.

Almost everyone during his four years at Morgan Park has at some time come into contact with the Photo Staff. Under the management of Bob Swift, the members occupy their time in developing and printing pictures for the Empehi News, Annual, division records, and personal orders.

## CIVIC ACTIVITIES

### *Mad chemists and golden voices*

For a long time students at Morgan Park have felt the need for a club which would cater to their interests in chemistry. Then it happened that, early in the spring semester, a group of chemistry students organized just such a club, and named it the Chemasters.

Requirements for membership consist of a C or better in chemistry, and approval by the club and by the faculty adviser, Mr. William Watson. The club claims a membership of forty-five students.

The Chemasters got off to a good start with a full quota of activities. A magic show consisting of chemical tricks, prepared and presented at an assembly was a big success. They also took a trip to the Rosenwald Museum.

Officers for the semester were: John Wenner, president; Gerald Smith, vice-president; Bill McCumber, secretary; and Ivan Smith, treasurer.

Another successful year has been completed by the Girls' Glee Club, under the leadership of Mrs. Bernice Hartle.

The club, striving to create a greater appreciation of the great choral works, represented the school in musical productions, contests, and entertainments.

Anyone desiring membership must qualify musically and pass a vocal examination. Recently the rules have been revised, allowing lower classmen to substitute Advanced Music for the required music one and two. Such students must, of course, have a high musical qualification.

Participation in the annual Christmas assembly, as well as the December meeting of the P. T. A. brought the organization just praise. The year ended with the spring concert in which both junior and senior choruses took part.

The officers for the fall semester were: Inez Brown, president; Jean Walther, vice-president; Guyeda Shields, secretary; and Eloise Fischer, treasurer. Eloise Fischer, Corinne Williams, Inez Brown, and Jean Austin held these positions during the spring.

THE DISTINCTION of being the oldest club in Morgan Park is enjoyed by the Zoology Club. Although it lost its well loved sponsor, Miss Bessie Bell in the middle of the term, it gained an equally capable one in H. N. Taylor.

Two assemblies were presented by the club during the course of the year. One was a showing of movies by Sam Campbell on the northern wilds, while the other was given by Mr. Wacholz and his trained dogs.

As usual the Turkey Run trip was enjoyed by all. A goodly sum was made by the sale of Mustang pins, half of which was turned over to charity.

Among the interesting informative speakers presented at meetings were Miss Lucy Babcock, telling of her trip to India; Miss Anderson with her seeing eye dog; and Mrs. Thomas from the Field Museum.

In charge of administrative duties for the fall semester were: Dave Katzmann, president; June Ekloff, Alice Wilhelm, Bob DeRose, and Lois Harper. For the spring June Eckloff presided, assisted by Jeanne Stevens, Joyce Blair, Dave Lamoree, and Martin Anderson.

THE CURTAIN CLUB of Morgan Park has been organized for those students possessing dramatic ability and interest. Four amusingly interesting plays were produced during the course of the year.

Given by a double cast, "Pretty Girl Wanted" was the first. "Luncheon for Six" and "The Great Allowance Battle" followed. They each had very excellent supporting casts. The last play of the year, "Aunt Hetty," not only made a big hit as a comedy, but put the superior acting ability of club members on display.

De Paul University and Goodman Theater plays have been attended by the club as a body.

Miss Julia Lorenz, club sponsor, has received the full hearted cooperation of all officers.

Bruce Guest presided as president during the fall semester, while Betty Farrington took over his position in the spring. Marilyn Mikesell and Richard Rydin held the office of vice-president, while Judy Davis and Jeanne Kehoe called the roll. Charles Stevens and Aiden Tozer cared for the financial affairs.

# EMBLEM CLUB

*Athletes all, not one flaw*

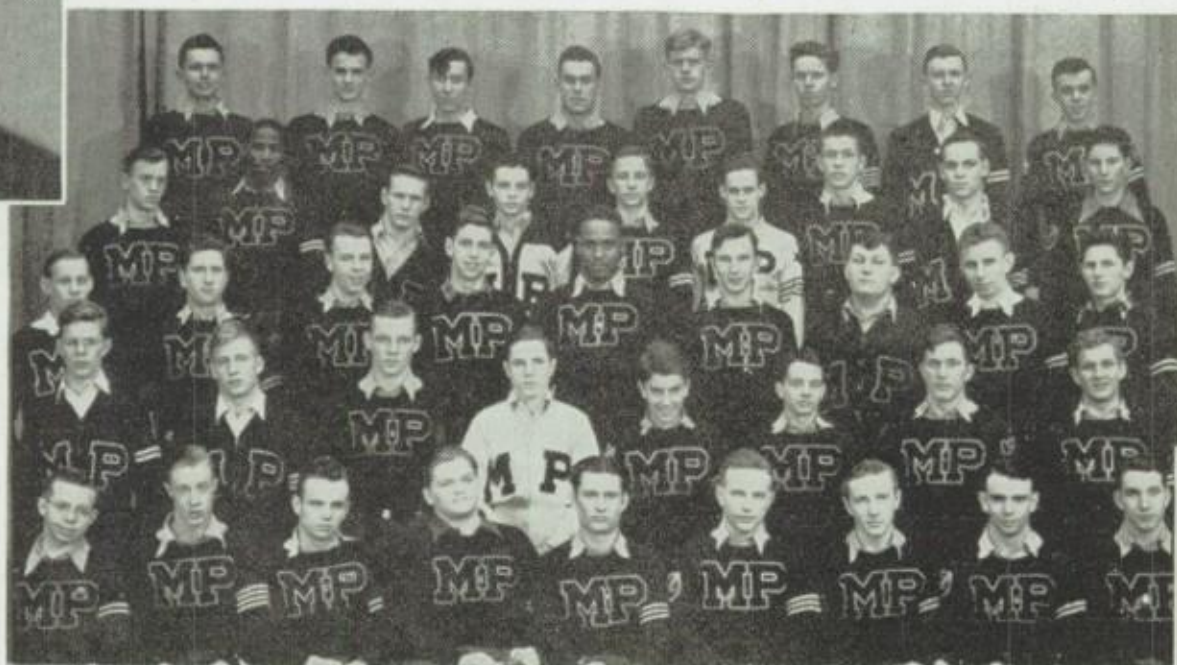

The Emblem Club has enjoyed success through the efforts of its officers, Rawley Handbury, president; and Frank Karge, secretary-treasurer, during the fall semester, and Frank Karge, and Bob Pringle during the spring.

The Emblem Club gave a roller skating party, which was enjoyed by all. It was also responsible for the intramural sports, such as basketball, volleyball, swimming, wrestling and baseball.

Besides being unusually active on the Board of Control, it had many duties.

Members acted as door guards during the assemblies, and kept order in the west lunchroom. The Emblem Club made all plans for athletic events such as "All Sports Night." They took charge of ticket taking, ushering and spectator arrangements of basketball, wrestling and swimming. The boys also acted as instructors in the gym classes.

This past semester a new requirement was made for Emblem Club membership. After receiving the emblem, the boys had to help run off an intramural event before being admitted to the club.

## TAU EPSILON

Tau Epsilon, Morgan Park's honorary scholastic society, closes its eighteenth year this June with the largest membership it has ever had. It contained sixty members when first organized in March, 1924. Now, it has more than 280, making it one of the largest organizations in the school.

For membership, a student must have at least eleven grade points in the final marking period of the previous semester, and four honor points determined by E's and S's, and honors brought to the school. This latter qualification makes Tau Epsilon an all-around organization, stressing activities and extra-curricular achievement as well as scholarship. Membership in Tau Epsilon is also a prerequisite for membership in the National Honor Society.

Under its three advisers, Miss Mackin, Miss Conlan, and Mr. Drummond, the

organization has carried out a limited program in keeping with its purely honorary character.

In order to raise funds to buy awards for graduates who have been members for seven semesters, a movie and other money-making projects were promoted. Twelve received awards in January and twenty-seven in June. The awards are gold guards consisting of the letters M. P. The three top ranking students in each class have their choice of any book or a Tau Epsilon pin, in addition to the guard.

Officers during the fall and spring semesters were, respectively: President, Gerald Smith, Mary Elizabeth Aldrich; vice-president, Mildred Blomquist, Alex Ulreich; secretary, Jane Bickel, Ralph Olsen; and treasurer, Roger Woolley, Sally Lofgren.

MRS. H. C. DORMITZER presided over the Parent-Teachers Association this past year. First, second, and third vice-presidents were, respectively, Mrs. Carlton D. Northam, Mrs. A. G. Peters, and Dr. Eston V. Tubbs. Recording secretary was Mrs. L. M. Harper; corresponding secretary, Mrs. Paul E. Brown; and treasurer, Mrs. V. C. McMahon.

The theme for the year's program was "The Purposes of Education in a Democracy." Believing that a work program which does not attempt to embrace too many subjects is greater in accomplishment than a larger program spread thin, the entire P.T.A. Board devoted most of its energy to problems of School Education in Chicago.

Ours was the guiding hand behind the Community Meeting "School Clinic," held in October, out of which grew the

Ridge Citizen's Committee, a delegate group representing all interested organizations in the district, and dealing only with Chicago School Problems.

We appeared and spoke at the Public Hearing on the Board of Education Budget in January, after learning from a study of tentative budget that Morgan Park High had only been allotted \$250, for rehabilitation for the year. We pictured for the Board the deplorable condition of our Home Economics and Shop departments and asked for a large appropriation so that the improvements might be carried out. At this writing, it appears that we are to get these improvements.

Our Ways and Means chairman, Mrs. A. G. Peters and our Membership Chairman, Mrs. L. R. Seen, have been successful in obtaining sufficient funds to take care of our budget for the year.

## *The Clissold Branch*

THE "twig's" S. A. officers this year have done their part toward making an active and interesting Student Association. Fall officers consisted of Stanley Matthias, president; Marge Anderson, vice-president; Don Tatershall, secretary; and Marion VonHolst, treasurer. The same offices were held by Beth Chatters, Duke Lemont, Ray Robinson, and Virginia Dawson-Smith, respectively, during the spring semester.

Duke Lemont and Ray Robinson, in charge of sports during the spring, presented a wrestling match. Of course, the Branch's athletic fellows are on the Main Building football and swimming teams. Ray has done a good piece of work counting the dimes as they are paid toward S. A. membership.

MR. TWEEDIE

# STUDENT ACTIVITIES

AT THE Branch, during the spring semester, were four committees. In charge of arranging socials was Loretta Griffin, Social Committee chairman. Head man of the Promotion Committee was Ted Rydin, with the task of boosting all S.A. activities.

Jean Sherff and Eleanor Scheineman, holding the positions of newspaper staff heads, informed the Main Building of Branch news. Jim Mitchell, chairman,

and Roy Hooker, vice-chairman, head the Student Council.

Branch lads and lassies attend the same socials, read the same newspaper and annual, see the same plays and movies, and cheer at the same sports events as do their Main Building brothers. In addition, the Branchites have had the opportunity to witness several eye-catching assemblies of their own.

# *The R. O. T. C. Unit*

---

All efforts of the unit during the past year were aimed towards the Annual Federal Inspection which was held May 15. The unit was determined to regain the honor school rating which it had lost last year.

High point of the Morgan Park social year was St. Valentine's day when the officers club of the R. O. T. C. held its Eighteenth Annual Military Ball in the Crystal Ballroom of the Shoreland Hotel.

Once again the R. O. T. C. operated the hall guard system in efficient fashion, keeping the halls clean and orderly at all times. The usher force officiated at all assemblies and also worked efficiently at several community productions. The improved fire guard again led students quietly and quickly from the building during fire drills.

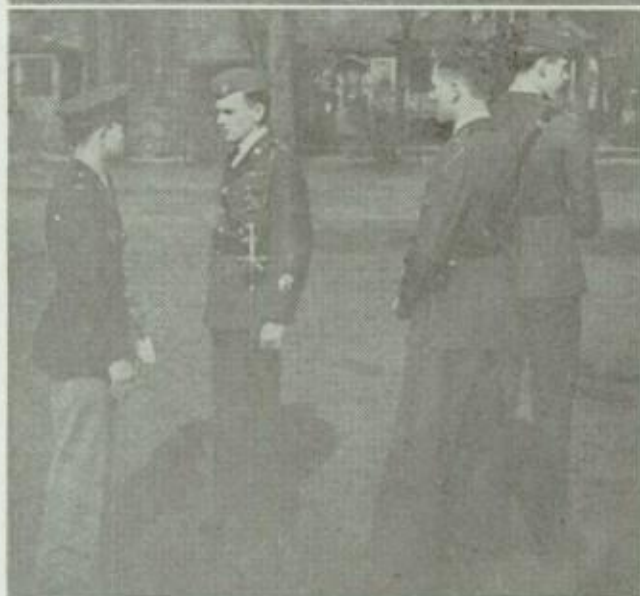

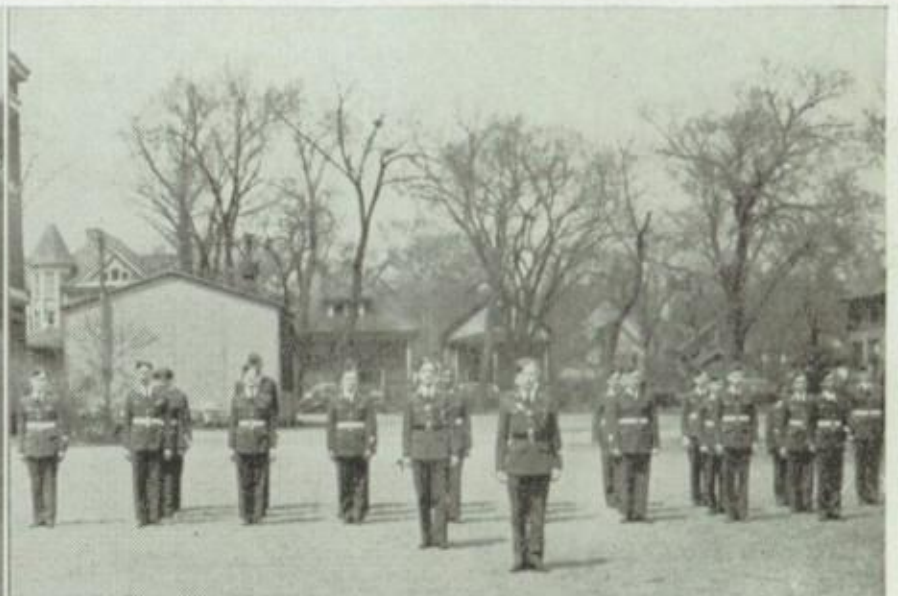

The Officers' Club was quickly re-organized by Sergeant Ziel as one of his first acts at Morgan Park. Meetings were held twice a week at which time

R. O. T. C. theory was taught by the Military Instructor and ways of improving general unit efficiency were discussed. Membership in the club is held by all cadet officers. The members for the past year were: Lieutenant Colonels, Norman Erickson, Frank Micus, and Alex Ulreich; Majors, Warren Ewert, Norman Meyer, and John Ulreich; Captains, William Custer, Kenneth Johnson, George Katzmann, Roger Kuhns, Luther Lorance, Bob Martin, Ralph Olsen, Arthur Mihalovits, Charles Blanchard, and Keith Walker; First Lieutenants, James Angstrom, Hal Briggs, Jack Burley, Tom Clauter, Gordon Clay, Arthur Duran, Bruce Guest, Ray Hager, and Reinhardt Jahn; Second Lieutenants, Robert Adams, Fred Faulkner, Ted Hall, Bob Harper, Bob Helreich, John Kamin, George Karpovich, Warren Marley, Julian Mathis, Donald Nieman, James Pratt, James Schielke, and William Schurtz.

Ralph Olsen was appointed Captain on City Staff.

# *Spring Maneuvers*

# THE OFFICERS CLUB

AFTER suffering a rather disastrous year in 1940 the Morgan Park Reserve Officers Training Corps has again climbed back to its former place with the outstanding organizations of Empehi.

Sergeant V. A. Dennison, Military Instructor for the past two years, left Morgan Park in September to take over the Crane Tech unit. He was followed in quick succession by Sergeants Robert Reid and H. L. Shoemaker. Early in the spring semester Sergeant John Ziel took charge of the unit and began immediately to weld it into a working organization.

Sergeant Ziel took charge of all theory classes and when the unit was able to take to the drill field after a winter of inactivity, he supervised company ma-

neuvers. The picked drill platoon began work in January for the competition which was held during the latter part of March. Even with this short training period the platoon came in fourteenth out of the twenty-seven Chicago schools participating.

Once again the unit was represented on the City Corps Staff when Captain Ralph Olsen received an appointment. Morgan Park has been represented on this staff for the past several years.

Lt. Colonel Frank Micus received the command of the unit in October after Lt. Colonel Norman Erickson had resigned. Lt. Colonel Alexander Ulreich took command in February and led the unit through the spring semester.

## TRADITION

For more than half a century Pontiac has been producing QUALITY printing plates for all types of publication work and has established a reputation for dependable service which is unexcelled among photo-engravers. Everywhere Pontiac yearbook service men have become known for their friendly, helpful assistance and are recognized for their ability as specialists in the school publication field.

It has become "An American Tradition" for schools to select Pontiac as their engraver year after year, with the result that the number of annuals handled by Pontiac has steadily increased. Hundreds of these staffs have developed distinctive books with the assistance of Pontiac artists and have gained recognition for the originality and success of their publications.

The entire personnel of Pontiac Engraving & Electrotype Co. salute the publishers of this book for their splendid efforts in producing a fine yearbook. They invite other schools to join the thousands of satisfied Pontiac clients for assistance in the solution of their engraving problems.

Pontiac served as the Official Engraver to this book.
